PART I - ADMINISTRATION AND NOTIFICATIONS

24TH NOVEMBER, 2016

SERIAL NO. 3625

Sub. No. 1 STANDARD OPERATING PROCEDURES FOR WANTED PERSONS/PERSONS OF INTEREST TO BE ADDED TO THE PASSPORT IMMIGRATION AND CITIZENSHIP AGENCY (PICA) WATCH LIST

It has been observed that some Divisions/Formations are not in conformity with the laid down procedures for persons to be placed on the Watch List as stipulated by the Passport Immigration and Citizenship Agency (PICA). The National Intelligence Bureau (NIB) was established as the Single Point of Contact (SPOC) for the PICA and as such, all requests from Divisions/Formations must be routed through the Bureau.

Despite the clear instructions, there continue to be significant discrepancies, inaccuracies and undue delays when the action taken through PICA is to be reversed. This untenable situation is potentially costly to the Jamaica Constabulary Force (JCF) as the aggrieved party(ies) could take civil action for the embarrassment and loss suffered in the process.

Listed below are some of the discrepancies identified which must be rectified if efficiency in treating Watch List requests is to be achieved:

- Requests being made directly to PICA which is a concern for the agency. It was highlighted by a PICA representative at a meeting held on August 30, 2016, at the Inspectorate of Constabulary (IOC) that when these requests are received directly from divisions and Divisional Commanders are advised to reroute the requests through NIB the responses are sometimes offensive. The representative recalled one Commander's response to be "I am an SSP and it is an SSP at NIB, why should I route my request through NIB?" This is a clear display of ignorance on the purpose of policy and procedure.
- Requests being submitted for a Stop Order to be effected by PICA instead of a Watch List. This is an indication that personnel out in the field do not know the difference between Stop Order and Watch List. Stop Orders can only be initiated by the Courts.
- Requests are being submitted without the date of birth of the subject of interest.
- Incorrect spelling of the name of the Person of Interest (POI).
- Reason for addition to the Watch List not clearly stated.
- Office number only, being provided for the Investigator and his/her cellular number is very critical to the process.
- Some investigators are not answering their telephones after 5 pm.
- When some investigators are contacted when POI are detected at the Ports they sometimes don't recall the individual or why they were placed on the Watch List and at times the Division Detective Investigators (DDIs) and Crime Officers also have no knowledge of the subject.
- Some named investigators are transferred and when contacted by PICA or the Border Desk within the Bureau, they cannot provide any useful information to guide the decision of the Immigration Officer.
- Once a person is added to the Watch List there is no update from the division as to the status of the individual. Sometimes cases have concluded and individuals continue to undergo the secondary interview process at the ports which in most cases can prove to be embarrassing as the persons are pulled from the lines in view of the public. This has also resulted in lawsuits being initiated against PICA and the JCF.

SERIAL NO. 3625

STANDARD OPERATING PROCEDURES FOR WANTED PERSONS/PERSONS OF INTEREST TO BE ADDED TO THE PASSPORT IMMIGRATION AND CITIZENSHIP AGENCY (PICA) WATCH LIST (CONTD)

- Police personnel are being referred for secondary interviews because they are on the Watch List and they appear not to have any knowledge as to why they are being pulled for screening. Most cases involving Police Personnel are initiated through requests from Bureau of Special Investigations (BSI) and the Major Organized Crime and Anti-Corruption Agency (MOCA). It is to be noted that when a request goes through Operations Branch, there is a notation that the Commanding Officers is to inform the member(s) that they are placed on the Watch List but it appears that this is not being done.

In an effort to resolve these issues, the Standard Operating Procedure, attached to these Orders as [Appendix 'A'](#), must be followed when 'Wanted Persons and Persons of Interest' need to be placed on the Watch List at all Ports in Jamaica.

Commanding Officers are to ensure that this subhead forms the subject of lectures for the next six (6) weeks.

She will report to the head of the Medical Services Branch (MSB). A nutrition department will be established within the MSB to serve the National Police College, the Convalescence home and the wider JCF formations.

In establishing this department, a **nutritionist assistant** is being sought from suitably qualified members of the JCF.

Sub. No. 5 REMINDER- RECRUITMENT OF DISTRICT CONSTABLES

Force Orders No. 3624, Part I, Sub. No. 2 dated 2016-11-17, is hereby republished, for general information.

Formations within the Jamaica Constabulary Force (JCF) are continually making recommendations for the recruitment of District Constables. Branch, Area, and Divisional Commanders are to note that the provisional establishment for District Constables has been met; hence any future recommendation for recruitment must be directly linked to natural attrition.

Commanders are hereby directed to ensure that recommendations for the recruitment of District Constables are for replacement only and such cases must be explicitly made.

Sub. No. 6 REMINDER - APPLICATIONS OF DISTRICT CONSTABLES TO BE ENLISTED AS CONSTABLES IN THE JAMAICA CONSTABULARY FORCE

Force Orders No. 3624, Part I, Sub. No. 3 dated 2016-11-17, is hereby republished, for general information.

All District Constables who applied to be enlisted as regular Constables in the Jamaica Constabulary Force prior to invitation published in Force Orders Serial No. 3620 dated October 20, 2016 are hereby directed to contact the Recruitment Centre at the National Police College of Jamaica at 984-2771. They may also call Ext: 69030-9 from the newly installed Avaya Phone.

Sub. No. 7 REMINDER - UNPROFESSIONAL CONDUCT BY THE POLICE DURING THE ELECTION PERIOD

Force Orders No. 3624, Part I, Sub. No. 8 dated 2016-11-17, is hereby republished, for general information.

Local Government Elections will be held on November 28, 2016 and the political parties are on the hustings. However, in the run-up to and during the election we must not do or say anything that may be interpreted as 'political'.

In this regard, Rule 3.2 of the Book of Rules of the JCF is hereby published for the guidance of members as also the revised provisions of Force Orders No. 3368, Part 1, Sub. No. 3, dated 2011-12-22:-

FORCE ORDERS (CONT'D)

24TH NOVEMBER, 2016

SERIAL NO. 3625

REMINDER - UNPROFESSIONAL CONDUCT BY THE POLICE DURING THE ELECTION PERIOD (CONT'D)

Rule 3.2 POLITICS AND PUBLIC POLICY

As a public policy, members are prohibited from making any public expression showing allegiance to any political party. Private discussions on a national issue should not be interpreted as being in favour of or against any political party.

UNPROFESSIONAL CONDUCT BY THE POLICE DURING THE ELECTION PERIOD

"Members are reminded that the following conduct will be regarded as unprofessional and will be severely dealt with. Suspension and interdiction will not be ruled out where the situation warrants it:-

- (i) being engaged in political activities publicly, whether on duty or otherwise, having reported sick and being excused from office and duty;*
- (ii) being dressed in party colours in a manner reasonably interpreted to impute political affiliation and improper conduct;*
- (iii) being in the company of civilians who are engaged in behaviour designed to intimidate; and*
- (iv) failing to take lawful police action when appropriately called upon."*

Commanding Officers will now ensure that the above is fully explained to and understood by all under their command and appropriate action taken, where necessary, because the image of the Force must not be smeared during this election campaign.

APPENDIX 'A' STANDARD OPERATING PROCEDURE PASSPORT IMMIGRATION AND CITIZENSHIP AGENCY (PICA) - WATCH LIST TO FORCE ORDERS NO. 3625 DATED 2016-11-24

NATIONAL INTELLIGENCE BUREAU (BORDER DESK)

STANDARD OPERATING PROCEDURE - PASSPORT IMMIGRATION AND CITIZENSHIP AGENCY (PICA) - WATCH LIST REQUEST

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3625 DATED 2016-11-24

**STANDARD OPERATING PROCEDURES FOR
STOP ORDERS/WATCH LIST AT PORTS IN JAMAICA**

BACKGROUND:

The Passport Immigration and Citizenship Agency (PICA) is the agency responsible for maintaining a database with the names of persons with restrictions on entering or leaving the island. This database is called a **Watch List** and contains the names of individuals with specific instructions either from the Courts (**normally a Stop Order**) or any other entity with the requisite authority to request of PICA to carry out certain actions upon the planned departure or arrival of the individual.

The rationale for using this mechanism is to monitor/control the movements of Person(s) of Interest traversing our borders through the official Ports of Entry/Exit. The main organizations/agencies that make these requests to PICA are:

- **The Courts - High Court or Resident Magistrate**
- **Family Court etc**
- **The Jamaica Constabulary Force**
- **The Office of Bankruptcy**
- **Tax Administration Jamaica**
- **Department of Correctional Services (Parolees)**

The Jamaica Constabulary Force (JCF) is responsible for the majority of requests sent to PICA however, divisions continue to misuse the term Stop Order in their requests when they are making reference to Watch List. Only a Court can initiate a Stop Order. Members of the JCF can request through NIB that persons be placed on the Watch List with specific instructions. These instructions may vary from a Monitoring and Reporting Order, to informing an investigator of an attempt by a Person of Interest to leave the island. An investigator so informed, can have such person detained if a Warrant of Arrest is ready for execution or if he has substantial evidence for the person to be placed on an Identification Parade or be charged and put before the courts.

There are several reasons why an individual may be added to the PICA Watch List which include:

- **He/She has been the subject of a Deportation/Removal Order by the Jamaican Courts.**
- **He/She is the subject of an international Watch List from INTERPOL or any such agency.**
- **He/She is the subject of an investigation (that is, the person has committed a crime, or the police have reasonable suspicion to believe that the person has committed a crime and is a flight risk)**
- **The person is the subject of an investigation and is being monitored by Jamaica and or other countries**

When a person is added to the PICA Watch List and he/she attempts to leave or is returning to the island, the procedure adopted by PICA is that he/she will automatically be referred for a secondary interview. This is a very tedious process and may result in the individual being in a somewhat embarrassing position especially when he/she is publicly pulled from the line in full view of other persons within the airport facility. To compound the matter, he or she may miss the flight resulting in additional rebooking expenses.

Ultimately, the individual may pursue legal proceedings against PICA and in some instances the JCF to recoup any losses incurred.

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3625 DATED 2016-11-24

ADDITION TO WATCH LIST

The National Intelligence Bureau was established as the Single **Point of Contact (SPOC)** for all Watch List request to be sent to PICA by members of the JCF. The following outlines the steps to be taken for persons to be added to the Watch List:

- all requests must be on the official letterhead of the Branch/Division and signed by the Officer in- charge or his designate;
- addressed to the Director, National Intelligence Bureau, Office Centre Building, 12 Ocean Boulevard (Tel 922-8134 / Fax 922-6240 / Email: nib@jcf.gov.jm);
- include the full name (First Middle and last) and date of birth of the subject;
- circumstances that merits the person to be added to the Watch List (offence, etc.)
- specific Instructions/recommended action if the person is seen attempting to leave, or is seen returning to the island; and
- full name, rank and contact number (office and cellular) of the assigned investigator.

WHEN A PERSON OF INTEREST IS DETECTED AT THE PORTS

When a Person of Interest who is on the PICA Watch List is detected on the Advance Passenger Information List, the following procedures will be adopted:

- The Immigration Officer will refer the subject for Secondary Interview.
- Contact will then be made directly with the named Investigator by the Immigration Officer, based on the contact information provided on the initial request and also with the NIB Operatives at the airport and the Border Desk at NIB HQ.
- If contact is made with the Investigator, action will be taken based on his directives (however an individual will not be removed from a flight unless an Arrest Warrant is in effect or arrest will be made by the investigating officer without a warrant).
- In all cases where efforts to contact the Investigator prove to be futile, the person will be allowed to depart the island or be landed.

REMOVAL FROM WATCH LIST

If the subject is no longer a person of interest to matters under investigations, the investigator must:

- Submit a request for the immediate removal of the subject from the Watch List.
- In all other cases, submit a request for the subject to be removed or remain on the Watch List after six (6) months have elapsed.

-JUST FOR LAUGHS!!!

A Muslim took a Jamaican taxi. The car was blaring with music. On his journey the man asked the driver to turn off the music as his religion doesn't allow him to listen to the type of music he was playing.

The driver stopped the car abruptly, turned to the man and said, 'Get outta me car and go find a camel, cos back in de day yuh neva have no car fi drive in!'

Astonished, the man came out of the car and the driver sped away.
