PART I - ADMINISTRATION AND NOTIFICATIONS

10TH DECEMBER, 2020

SERIAL NO. 3836

Sub. No. 1 **AMENDMENT - THE JAMAICA CONSTABULARY FORCE - ELECTRONIC CONTROL WEAPONS POLICY AND STANDARD OPERATING PROCEDURES**

Attached to these orders as [Appendix 'A'](#) is the *amended* Jamaica Constabulary Force Electronic Control Weapons Policy and Standard Operating Procedures for general information and strict compliance.

This promulgation rescinds all previous publications.

This sub-head must form the subject of lectures for the next six (6) weeks.

Sub. No. 2 **REMINDER - GRANTING OF LEAVE IN THE YULETIDE SEASON**

Force Orders No. 3835, Part I, Sub. No. 2 dated 2020-12-03, is hereby republished for general information.

Commanding Officers are hereby reminded of the need to manage the grant of vacation leave and departmental leave in the period leading up to and during the yuletide season.

Rule 4.16 of the Book of Rules is relevant and states:

'Departmental leave may not be granted to any member between the 20th December and the 6th day of January, except in exceptional circumstances.'

Steps are therefore to be taken to ensure the availability of an adequate number of personnel to treat with the exigencies associated with the period leading into the Christmas season.

Commanding Officers are also required to submit a report to Assistant Commissioner of Police, Administration in instances where members granted vacation leave or departmental leave up to December 19, report sick thereafter.

Sub. No. 3 **REMINDER - FIREWORKS, FIRECRACKERS, SQUIBS, ETC.**

Force Orders No. 3835, Part I, Sub. No. 3 dated 2020-12-03, is hereby republished for general information.

An import licence is required to bring into the island pyrotechnic articles such as fireworks. Persons found trading in such goods without the required licence shall be subjected to prosecution and seizure of goods.

The activating, discharging or throwing of any squibs, firecracker or any other illegal fireworks in any public place is prohibited by section 3(N) of the Town and Communities Act. Persons found committing any such offence are liable for prosecution.

The activating, discharging or throwing of any squibs or firecrackers is not only frightening but many members of the public find it difficult to differentiate between the explosions of squibs or firecrackers and that of a firearm. This practice becomes more prevalent during the yuletide season and requires increased vigilance by law enforcement officials.

In addition, it is also on record that a number of houses have caught fire as a result of illegal fireworks and were either totally or partially destroyed.

FORCE ORDERS (CONT'D)

10TH DECEMBER, 2020

SERIAL NO. 3836

Sub. No. 4 REMINDER - TREATING WITH CITIZENS' REPORTS

Force Orders No. 3835, Part I, Sub. No. 4 dated 2020-12-03, is hereby republished for general information.

The Police High Command is aware of the practice of some police personnel still turning away citizens who attend police stations to make reports of incidents on the basis that the incidents occurred outside of the station's boundaries.

In the case of a motor vehicle accident, the Road Traffic Act provides that the parties involved may report the accident to any policeman or policewoman, at a station of his/her choice.

In the case of a citizen making a crime report, a report of any offence or a request for any kind of police service at a police station, **NO CITIZEN should be re-directed to another police station or office.**

The citizens' report must be taken and recorded. Where it is necessary to record a statement at the time the report is made, this statement must be recorded at the station where the report is first made.

Citizens making reports at any police station must receive a receipt from the officer taking the report. This is a requirement and must be done by all officers.

Citizens who have been turned away at any police station may ask to speak to the sub-officer in charge of the station. If there is no change in the situation or satisfaction, citizens can then speak or write to the officer in charge of the police division concerned.

After speaking with the sub-officer in charge of the station and the Divisional Commander and there is still no satisfaction, citizens can write or call the **OFFICE OF THE INSPECTOR GENERAL** as follows:

Inspectorate and Professional Standards Oversight Bureau (IPROB)

5th Floor, NCB South Tower

2 Oxford Road, Kingston 5

Telephone #948-0217, Avayas 52910, 52911 & 52912 Monday to Friday (8:00 am – 5:00 pm)

These directives are to be read in conjunction with Force Orders No. 3177 Part I Sub. No. 3 dated 2008-04-24, re - 'Crime Recording Policy'.

Commanding Officers are to ensure that this directive is brought to the attention of all members under their command by way of lectures.

Sub. No. 5 REMINDER - PROTECTION AGAINST CORONAVIRUS (COVID-19)

Force Orders No. 3835, Part I, Sub. No. 5 dated 2020-12-03, is hereby republished for general information.

There is now a steady increase in the number of confirmed cases of coronavirus in Jamaica. As a result, the risk of members contracting the disease has increased significantly. Members are being reminded to take all the necessary precautions to reduce the risk of infection. These include:

- Frequent hand-washing with soap and water for at least twenty (20) seconds or using an alcohol based hand sanitizer where appropriate
- Covering mouth and nose with tissue or utilizing the inner elbow rather than palm of hand while coughing
- Wearing a mask

10TH DECEMBER, 2020

FORCE ORDERS (CONT'D)

SERIAL NO. 3836

REMINDER - PROTECTION AGAINST CORONAVIRUS (COVID-19) (CONT'D)

- Frequent sanitization of surfaces with disinfectant
- Avoiding close contact with sick individuals
- Avoid touching eyes, nose and mouth with unwashed hands
- Avoid consuming raw or undercooked animal products
- Obtaining the yearly influenza (Flu) vaccine to reduce your chances of getting other types of respiratory viral infections

Attached to these Orders as [Appendix 'B'](#) is an article from the Medical Services Branch entitled Novel Coronavirus (2019-nCoV) for further information.

Commanding Officers and supervisors must monitor and ensure that there is full compliance with these precautionary measures within the work environment. The contents of this Order must form the subject of lectures until further orders.

Sub. No. 6 APPENDICES

Attached to these Orders as Appendix 'C' is a letter of appreciation from the person named:-

'C' [Mrs. Yanique Gardener-Brown, Deputy Director of Public Prosecutions, Office of the Director of Public Prosecutions, P.O. Box 633, Kingston, Jamaica.](#)

APPENDIX 'A' THE JAMAICA CONSTABULARY FORCE - ELECTRONIC CONTROL WEAPONS
POLICY AND STANDARD OPERATING PROCEDURES
TO FORCE ORDERS NO. 3836 DATED 2020-12-10

THE JAMAICA CONSTABULARY FORCE
Electronic Control Weapons Policy and Standard Operating Procedures

Title: Electronic Control Weapons Policy and Standard Operating Procedures	Number:
Effective: Immediately	Pages: 10
Review Date: December 7, 2020	Distribution: All Staff
Rescinds: F.O. 3784 Sub. No.1 dated December 12, 2019	Accreditation Standards:
Authors: PRDB, JCF	Owner: JCF
First Published:	Review: Biennially

1. BACKGROUND

The Jamaica Constabulary Force (JCF) continues to evaluate its Human Rights and Police Use of Force and Firearms Policy with the aim of incorporating emerging techniques and technologies to enhance officer and public safety. Accordingly, the organization has placed increased emphasis on putting into greater use less lethal options geared towards the management of on-going and/or emerging public order situations and breaches of the peace.

One such effort is to adopt Electronic Control Weapons (ECWs) as a tool to more effectively manage public order situations and breaches of the peace. Electronic Control Weapons offer members options to use force that is objectively reasonable to effectively bring an incident under control, while protecting the safety of the public, subject, member and others.

2. PURPOSE

This document outlines the JCF's policy and standard operating procedures for the acquisition, management and disposal of ECWs.

3. SCOPE

This policy and standard operating procedures applies to all sworn and unsworn members (including contractors), and covers the acquisition, deployment, use, maintenance and disposal of ECWs in the JCF.

4. DEFINITIONS

Active Resistance - The use of non-assaultive physical measures including flight by unarmed subjects in order to resist and/or prevent a member from gaining control

Competent Member - Any member of the JCF who has received the prescribed training, certification and/or biennial recertification, and is authorized to carry and use ECW

Electronic Control Weapon (ECW) - A device that uses electricity to impair voluntary muscular responses or to cause discomfort in order to gain compliance; overcome resistance; or capture, control, and facilitate constraint

Elevated Risk Population - Individuals who are potentially at greater risk of injury or death following exposure to an ECW. These include those who reasonably appear or, are known to be elderly, medically infirm, pregnant, users of internal cardiac devices, or who have low body mass, such as small children

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3836 DATED 2020-12-10

Passive Resistance - A refusal by an unarmed person not reasonably perceived to be an immediate threat or flight risk to comply with a member's verbal commands or physical control techniques that do not involve the use of physical force, control, or resistance of any kind

Secondary Injury – Any unintended injury sustained by a subject during the application of an ECW. These include but are not limited to: injuries sustained from falling and ignition due to presence of a flammable substance

5. POLICY STATEMENTS

The management of ECWs within the JCF shall incorporate best known practices as advanced by, but not limited to: the Constitution of Jamaica, the Universal Declaration of Human Rights, all relevant local laws, the Jamaica Constabulary Force's Human Rights and Police Use of Force and Firearms, Ethics and Integrity and Police Public Interaction Policies and Standard Operating Procedures.

It is the policy of the JCF that:

- 5.1 ECWs shall be used in self-defense or defense of others;
- 5.2 ECWs may be used in cases of Active Resistance where the subject is exhibiting active aggression or is actively resisting in a manner that, in the competent member's judgment, is likely to result in injuries to self or others or is likely to result in the prevention of the lawful apprehension of the subject;
- 5.3 in exceptional circumstances, ECWs may be used in cases of Passive Resistance or handcuffed subjects, **only** if justified by the need to protect subjects, bystanders, or members;
- 5.4 the use of ECWs shall accord with the principle of proportionality; that is, the anticipated injury or harm to be prevented is equal to, or greater than the harm which is likely to be caused by the use of the ECW, and that law enforcement objective cannot be achieved by a lesser degree of force;
- 5.5 only competent members shall be issued with and/or use ECWs;
- 5.6 ECWs shall be carried in the approved holster;
- 5.7 ECWs shall be managed in accordance with their manufacturers' guide;
- 5.8 ECWs should be used as a tool of need and not one of convenience. This means that members should not over-rely on ECWs in situations where more effective alternatives which use a lesser degree of force, such as verbal de-escalation, are available and appropriate. The ECW may be used when other less-lethal options are not practical, or their use will not achieve the desired law enforcement objective;
- 5.9 ECWs shall not normally be used on the *Elevated Risk Population*; however, in exceptional cases, the devices may be used **only** if justified by: i) the need to protect subjects, bystanders, or members from imminent physical harm; or ii) the need to effect the lawful apprehension of the subject in circumstances of active resistance;
- 5.10 ECWs shall not be placed in the position where the member usually carries, or is expected to carry his/her firearm;

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3836 DATED 2020-12-10

- 5.11 ECWs shall not be intentionally aimed at sensitive areas of the body such as the face, eyes, head, throat, female breasts, groin, genital, or known pre-existing injury areas;
- 5.12 the management of ECWs shall be of such that it minimizes the likelihood of multiple users on a single subject.
- 5.13 there shall be a *Jamaica Constabulary Force Electronic Control Weapon Register* within which the record of all issuing and receiving of ECWs shall be entered.

6. GENERAL GUIDELINES

6.1 Acquisition and Distribution

- 6.1.1 The JCF will use only approved ECWs acquired through the Government of Jamaica (GOJ) procurement guidelines.
- 6.1.2 All ECWs will be stored at the central armoury for distribution.

6.2 Maintenance

- 6.2.1 Scheduled maintenance and repair of ECWs shall be conducted by qualified and approved technicians and consistent with the terms and conditions stipulated by the manufacturer. This is important in order to (i) ensure optimal functionality and durability of the equipment and (ii) protect the GOJ's recourse to the manufacturer/supplier in respect of all warranty provisions and entitlements.

6.3 Disposal

- 6.3.1 Disposal of ECWs shall be effected via the *Asset Disposal Guidelines* mandated by the Ministry of Finance and the Public Service with authorization of the Ministry of National Security (MNS).

7. OPERATIONAL PROCEDURE

7.1 Deployment of ECW

The following procedures must be adopted when using ECWs:

- 7.1.1 all ECWs must be treated as loaded;
- 7.1.2 before deployment, competent members must consider the totality of circumstances such as; the subject movement, officer's visibility and ability to accurately deploy the device, the risk of accidental contact with unintended sections of the body or other persons and the likelihood of secondary injury;
- 7.1.3 members should never pull a firearm and an ECW at the same time;
- 7.1.4 the ECW and police canine should never be deployed simultaneously on a subject;
- 7.1.5 competent members issued with an ECW must also be issued with the appropriate medical kit;
- 7.1.6 as far as is practicable, competent members should issue the following verbal warning prior to deployment: '*Taser Taser Taser*'. During this warning, competent members should also activate the arc mechanism of the device;
- 7.1.7 after the verbal warning, a reasonable amount of time should be allowed for the subject to comply, unless giving time to comply will increase the risk of injury to subject, members or others or prevent the lawful apprehension of the subject;

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3836 DATED 2020-12-10

- 7.1.8 in the event there is the need to use an ECW, it shall be discharged for an initial five second cycle;
- 7.1.9 after the initial cycle, in the event that the subject appears to be incapacitated, members must act quickly and effectively in order to control the subject; and
- 7.1.10 in the event the subject does not appear to be incapacitated and the situation is still warranted, the competent member may consider further secondary deployments each lasting in five seconds duration. The subject should not be exposed to more than three ECW cycles, that is, fifteen seconds of electric discharge.

7.2 Post-Deployment

Members shall obtain medical assistance for subjects if any of the following occurs:

- 7.2.1 the subject requests medical attention;
- 7.2.2 the subject received secondary injury;
- 7.2.3 the probe made contact with a sensitive area of the body;
- 7.2.4 there is difficulty removing the expended probes from the body;
- 7.2.5 the subject does not appear to be recovering in a manner consistent with training and experience;
- 7.2.6 the subject is part of the Elevated Risk Population;
- 7.2.7 the subject has been exposed to three or more ECW cycles;
- 7.2.8 the subject has been simultaneously exposed to the effects of more than one ECW device; and
- 7.2.9 the subject reasonably appears to be affected by mental illness or is in medical distress.

7.3 Management of ECW

- 7.3.1 An entry must be made in the *Jamaica Constabulary Force Electronic Control Weapon Register* as indicated in **Appendix 1** on every account in which the ECW is issued. The entry should contain:
 - consecutive number
 - date and time issued
 - type and serial number of ECW
 - serial number of cartridge(s)
 - number of cartridges
 - serial number of holster issued
 - diary entry reference number
 - name of person receiving
 - rank and regulation number of person receiving
 - signature of person receiving
 - name and signature of person issuing
- 7.3.2 An entry must be made in the *Jamaica Constabulary Force Electronic Control Weapon Register* as indicated in **Appendix 2** on every account in which the ECW is returned. The entry should contain:
 - consecutive number
 - date and time returned
 - type and serial number of ECW
 - serial number of cartridges
 - number of cartridges

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3836 DATED 2020-12-10

- serial number of holster returned
- diary entry reference number
- name of person returning
- rank and regulation number of person returning
- signature of person returning
- name and signature of person receiving
- remarks

- 7.3.3 An entry must be made in the Station Diary dispatching the competent member on duty with the ECW on each occasion. The entry must contain *inter alia*, name(s), rank and regulation number of persons in possession, serial number of weapon, holster and cartridges, number of cartridges, nature of duty, signature of person making the entry;
- 7.3.4 An entry must be made in the Station Diary whenever the member concludes duty with the ECW on each occasion. The entry must contain *inter alia*, name(s), rank and regulation number of persons returning, serial number of weapon, holster and cartridges, number of cartridges, nature of duty performed, whether or not the ECW was used and the circumstances surrounding its use and signature of person making the entry;
- 7.3.5 A written report must be submitted within 24 hours on all accounts in which the ECW has been used. The report must contain *inter alia* the circumstances in which the ECW was used, subsequent actions and a recommendation for replacement of cartridges;
- 7.3.6 A detailed entry must be made in the Station Diary followed by a report in circumstances where an ECW is stolen, damaged, lost or missing. Stolen, damaged, lost or missing ECWs must become the subject of thorough investigation, and a report submitted to the Inspectorate and Professional Standards Oversight Bureau (IPROB).

8. ROLES AND RESPONSIBILITIES

8.1 Divisional Commander

The Divisional Commander shall:

- 8.1.1 cause an investigation to be immediately conducted on all occasions where ECWs have been used, damaged, lost, stolen or missing;
- 8.1.2 cause an investigation to be immediately conducted on all complaints of use, misuse and/or abuse of ECWs;
- 8.1.3 submit a written report within 24 hours to the Inspector General, IPROB on all occasions where ECWs have been used, damaged, lost, stolen or missing, or where there are complaints of use, misuse and/or abuse;
- 8.1.4 ensure monthly inspections and proper inventory management of ECWs, and a return forwarded to the Inspector General IPROB, Assistant Commissioner of Police, Services Branch and Headquarters Armoury by the 7th of each month; and
- 8.1.5 ensure that the Division has sufficient number of competent members.

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3836 DATED 2020-12-10

8.2 Competent Members

The competent member shall:

- 8.2.1 ensure that the ECW is in good working condition by performing the requisite function checks upon issue;
- 8.2.2 ensure the safe handling of the ECW;
- 8.2.3 inform the Police Emergency Control Centre (PECC) upon being dispatched that he/she is equipped with ECW;
- 8.2.4 as soon as is practicable, inform the PECC and immediate supervisor on all occasion in which the ECW is used;
- 8.2.5 upon use of the ECW, remove or cause the probe(s) to be removed from the subject in instances where contacts were made in non-sensitive areas of the body;
- 8.2.6 upon use of the ECW, take subject to nearest medical facility to have probe(s) removed in cases where contacts were made in sensitive areas of the body;
- 8.2.7 make an immediate assessment and seek medical attention for the subject in keeping with requirements at Post-Deployment procedure at **Section 7.2** of this policy;
- 8.2.8 retrieve and retain probes and cartridges after use;
- 8.2.9 hand over all ECWs, cartridges and holster on conclusion of duty; and
- 8.2.10 submit written reports, as soon as practicable or not exceeding nine (9) hour after the ECWs have been used, damaged, lost or discovered stolen or missing.

8.3 Station Commander/Station Officer/the Sub-officer in charge

The Station Commander/Station Officer/the Sub-officer in charge shall:

- 8.3.1 ensure that an entry is made in the Station Diary of all the incidents in which the ECW was used;
- 8.3.2 make an initial report to the Commanding Officer and follow up with a written report within 12 hours;
- 8.3.3 ensure that ECWs are properly stored and batteries are kept at optimum charge in accordance with the manufacturers' guide;
- 8.3.4 ensure that the competent member to whom ECWs are issued performs the requisite function checks, and that loading and holstering are conducted in his/her presence;
- 8.3.5 ensure proper maintenance and safekeeping of all ECWs under his/her command or supervision;
- 8.3.6 maintain proper inventory of all ECWs and record keeping of the *Jamaica Constabulary Force Electronic Control Weapon Register*; and
- 8.3.7 upon conclusion of duty, accept and inspect the ECW handed over by competent members and make an entry in the Station Diary and the *Jamaica Constabulary Force Electronic Control Weapon Register*

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3836 DATED 2020-12-10

8.4 IPROB

The Inspector General, IPROB shall:

- 8.4.1 monitor and ensure compliance of this policy;
- 8.4.2 investigate all complaints of misuse and/or abuse; reports of damage, lost, stolen or missing ECWs; and make recommendation(s) for appropriate action; and
- 8.4.3 provide strategic oversight for the management of the ECWs.

8.5 Planning Research and Development Branch (PRDB)

The Director, PRDB shall:

- 8.5.1 conduct research in the development and usage of ECWs and related technologies in law enforcement;
- 8.5.2 provide data on the use of ECWs; and
- 8.5.3 conduct biennial review of this policy or as may be required.

9. Training

The Assistant Commissioner of Police in charge, Training shall:

- 9.1 develop and administer a programme of training, certification and re-certification of users of ECWs.
- 9.2 conduct sensitization workshop for managers and supervisors.

**APPENDIX 'B' MEDICAL SERVICES BRANCH ARTICLE - NOVEL CORONAVIRUS
TO FORCE ORDERS NO. 3836 DATED 2020-12-10**

NOVEL CORONAVIRUS (2019-n CoV)

CASE:

A twenty-four-year-old male taekwondo student, Carlos Doe, returns home to Jamaica from a martial arts tournament in Wuhan City, Hubei Province China. Upon his return he begins noticing *fever, cough, stuffy nose with clear mucus draining from nose, joint pains and weakness*. He begins to take over the counter vitamins, honey and lime but three days later he notes *worsening shortness of breath, chest pain and cough*. He presents to his medical practitioner for treatment.

What is Coronavirus?

These are a large family of viruses, studied since the 1960s, that can cause a spectrum of diseases, ranging from the simple common cold to more lethal lung infections such as Middle East Respiratory Syndrome (MERS) and Severe Acute Respiratory Syndrome (SARS). *Coronaviruses exist in both humans and some animals such as snakes, cattle, bats.*

What is novel Coronavirus (2019- nCoV)?

This is a newly discovered type of coronavirus. This virus was identified first in late December 2019 when the World Health Organization (WHO) was contacted after several cases of pneumonia (lung infections) were diagnosed in Wuhan City, Hubei Province China. On January 7th Chinese authorities identified the virus as a coronavirus similar to *MERS* and *SARS*. Novel coronavirus, like other coronavirus infections, is characterized by respiratory and flu-like symptoms. Novel coronavirus infections currently do not appear to be as severe as SARS or MERS.

What is SARS (Severe Acute Respiratory Syndrome)?

This is a lethal infectious condition caused by SARS associated coronavirus (*SARS-CoV*) characterized by flu-like symptoms and severe breathing and lung failure (respiratory failure). It was first reported in 2002 in Guangdong Province Southern China.

What is MERS (Middle East Respiratory Syndrome)?

This is a lethal respiratory (lung) infectious disease caused by a special coronavirus, (*MERS-CoV*), which was identified in 2012 in Saudi Arabia. It is linked to countries near the Arabian Peninsula such as Iran, Bahrain, Yemen and Kuwait. It is characterized by flu-like symptoms which can progress to respiratory (breathing) failure.

What are some of the symptoms of novel coronavirus infection?

The symptoms are similar to most coronavirus infections. These include: *fever, weakness, headache, muscle pains, cough, runny nose, shortness of breath*. Initially, persons may have the infection and not display symptoms immediately. When symptoms appear they usually begin with fever, weakness and joint pains. A few days later, respiratory symptoms such as cough and shortness of breath begin. Symptoms may progress to cause organ failure and death in severe cases.

How is novel coronavirus spread from person to person?

Transmission mainly includes respiratory droplets which arise from coughing and sneezing. These droplets usually spread up to three (3) feet away. Spread can occur when an individual comes in contact with a surface which is contaminated with infectious droplets (e.g. door knobs, desks, clothing and unclean hands).

How is novel coronavirus different from the flu or Dengue fever?

It may be difficult to use symptoms to distinguish these viral illnesses as they may manifest in identical ways. Laboratory tests may be the only way of distinguishing these conditions. A key difference with dengue fever however, relates to mode of transmission, where the Aedes mosquitoes are needed for transmission as opposed to respiratory droplets for coronavirus transmission.

APPENDIX 'B' (CONT'D) TO FORCE ORDERS NO. 3836 DATED 2020-12-10

How can one reduce the chances of getting infected with novel coronavirus?

1. *Frequent hand-washing with soap and water for at least twenty (20) seconds or using an alcohol based hand sanitizer where appropriate*
2. *Covering mouth and nose with tissue or utilizing the inner elbow rather than palm of hand while coughing*
3. *Frequent sanitization of surfaces with disinfectant*
4. *Avoiding close contact with sick individuals*
5. *Avoiding touching eyes, nose and mouth with unwashed hands*
6. *Avoiding consuming raw or undercooked animal products*
7. *Obtaining the yearly influenza (Flu) vaccine to reduce your chances of getting other types of respiratory viral infections*

Can one be vaccinated against novel coronavirus?

Unfortunately there is no available vaccine specific for novel coronavirus at this time.

What should one do if one begins having some symptoms of the novel coronavirus infection?

- 1) Avoid excessive contact with other individuals
- 2) Ensure proper respiratory etiquette when coughing or sneezing.
- 3) Consult a medical doctor for necessary evaluation, testing, and timely notification of the Ministry of Health.
- 4) Persons who are infected should be quarantined.

Individuals with certain medical conditions (e.g. Diabetes, Human Immunodeficiency Virus (HIV), Heart and Lung diseases) as well as *children* and *the elderly* may have a higher risk of life threatening complications. As such early intervention and medical consultation is warranted.

How is coronavirus treated?

Treatment will depend on a case by case basis and varies based on severity. Suspected cases should be quarantined. The aim of medical care is to stabilize individuals suffering from severe respiratory symptoms and to preventing deterioration. This may require admission to a hospital an even to an Intensive Care Unit. For less severe cases the aim of treatment is to provide supportive care of symptoms. This may include adequate hydration, reduction of fever with fever medications.

What precautions should I take if I have to travel?

Avoid visiting implicated regions unnecessarily (China, Japan, Korea, Thailand). Persons who have symptoms of a sudden respiratory illness before, during or after travel, are urged to seek medical attention. A detailed travel history should be provided to the medical care provider. Typical measures of disease prevention apply during travel. Airport officials will likely check your travel history and perform health screening. There are policies and international standards for treating with an ill person on-board an aircraft.

Case Cont'd:

The student's doctor does relevant checks and refers him to the hospital where he has blood tests and X-rays done. He is admitted to hospital under quarantine and two weeks later his condition improves. He is discharged home. The Ministry of Health Public Health Department is notified of his case, and necessary health surveillance and educational measures are instituted.

For more information regarding this subject feel free to contact the Medical Services Branch at 876-749-0470, extension 69103 or 69107.

Reduce your risk of **coronavirus** infection:

Clean hands with soap and water
or alcohol-based hand rub

Cover nose and mouth when coughing and
sneezing with tissue or flexed elbow

Avoid close contact with anyone with
cold or flu-like symptoms

Thoroughly cook meat and eggs

No unprotected contact with live wild
or farm animals

Thru'
Ms. Paula V. Llewellyn, QC
Director of Public Prosecutions

Dear Commissioner,

**Re: CONSTABLE ERIC WHILBY OF THE DENHAM TOWN POLICE STATION,
REGULATION # 12989**

Reference is made our previous correspondence in relation to the captioned dated January 26., 20176.

On behalf of the Office of the Director of Public Prosecutions I again extend the highest commendation to the captioned officer who has served as the Police Liaison officer for Kingston Western admirably and efficiently over the last five (5) years.

I had the distinct pleasure of interacting with Constable Whilby when he first assumed this post. As young Crown Counsel I was impressed by the professional and effective manner in which he carried out his tasks. As I have ascended in the Office I have observed that Constable Whilby has performed consistently well in his role as Liaison Officer. He is readily accessible by Crown Counsel, maintains excellent contact with the Crown and the Police Officers he serves; is punctual for Court and is informed in the matters from his division. It is also very evident that he commands the respect of the members of his Division.

He can always be called on to assist in the completion of case files and in securing the attendance of officers at Court and for any other task that he is given by the Crown or the Court, even where it extends outside his division. He truly embodies the concept of commitment to good service and he endeavours to complete all tasks required of him in a timely manner. He is very respectful and for this he has received commendation on numerous occasions by the Crown and the Court. He has a reputation for preparedness and excellence and for this he must be encouraged and commended.

I last appeared in Court II, King Street, Kingston last week, having been outside of the jurisdiction and in other courts for some time and I was genuinely surprised to find out that in

spite of this excellent display of professionalism and numerous commendations received by Constable Whilby that he is still only at the rank of a Constable. It is clear to me that he is a very experienced officer and further he is performing at a rank far above that of Constable It is my hope that he does not remain at his current rank for much longer and that he will be favourably considered for advancement in the Constabulary Force of Jamaica.

Constable Whilby has proven himself to me to be exemplary in his duties as a Police Liaison Officer and I commend him wholeheartedly on his efficiency and professionalism.

Well done Constable Whilby! We at the Office of the Director of Public Prosecutions recognise your hard work and are truly grateful to you for the job that you do.

Sincerely,

.....
Penique L.T.O. Gardener Brown (Mrs.)
