11TH JANUARY, 2024

SERIAL NO. 3997

Sub. No. 1 THE SECURITY FORCES AND NATIONAL ELECTIONS

The next Local Government Elections are constitutionally due February 2024; notwithstanding, the government of the day is empowered to call a Local Government Election anytime during its tenure.

The security forces must always be prepared to fulfill their mandate under:

- **The Representation of the People Act;** and,
- **The Public Order Act.**

Commencing immediately, the Representation of the People Act and the Public Order Act must form the subject of lectures for the next six weeks and the names of all persons who attend forwarded to area headquarters.

The Role of the Security Forces

The security forces are charged with the responsibility of ensuring that law and order is maintained at all political and public meetings leading up to the election. Once Nomination Day is announced all meetings conducted by politicians leading up to Election Day are dubbed political meetings and the full extent of the Public Order Act must be applied.

It is imperative that the police fully understand their role and functions under the Representation of the People Act, which ultimately is to ensure that everyone who is a legitimate voter is given the right to exercise his/her franchise in an atmosphere which is void of fear and intimidation. Polling Stations are manned by Presiding Officers, Poll Clerks and other Election Day workers who should be properly identified on Election Day. Their security must be guaranteed by the security forces for them to carry out their functions in an effective and efficient manner.

While the security forces are responsible for the security of the inner and outer perimeter of polling stations, Presiding Officers are responsible for the administration of the polling stations. If a person misbehave himself in a polling station, or fails to obey the lawful orders of the Presiding Officer, he may immediately, by order of the Presiding Officer be removed from the polling station by a police constable.

Members of the security forces must be conversant with **Section 77** of the Representation of the People Act, which deals with '*Maintenance of order at the polling stations*'. It must also be emphasized that a penalty applies to members under the said Act who fail to comply with a lawful request by the Presiding Officer.

Sub. No. 2 STATUTORY DECLARATION OF ASSETS, LIABILITIES AND INCOME - INTEGRITY COMMISSION ACT, 2017

The new Integrity Commission Act, 2017, under Part V, Section 39 provides that all public officials, which includes members of the Jamaica Constabulary Force, in receipt of total emoluments of or above twelve million dollars or such other amount as may be prescribed by the Minister subject to affirmative resolution by the House of Representative, shall submit to the Director of Information and Complaint a statutory declaration of assets and liabilities and income each year, in the form set out in the third schedule.

The ranks of Commissioner to Sergeant, as listed in the 2023 *Gazette of positions to file Statutory Declarations*, are required to file as at December 31, 2023, by March 31, 2024, and thereafter annually.

Corporals, Constables and District Constables will file Statutory Declarations every two years. Therefore, Corporals, Constables and District Constables will next file Statutory Declarations as at December 31, 2025 by March 31, 2026.

FOR IMMEDIATE RELEASE

Increase of the Statutory Threshold for the filing of Statutory Declarations – not all public officials are exempt; only senior JCF & JDF Officers need to file

January 8, 2024 – Following the passage of an affirmative resolution by the House of Representatives, the prescribed threshold for filing statutory declarations has now been increased from J\$3,500,000 to J\$12,000,000.

The Integrity Commission (Total Annual Emoluments Exempt from Statutory Declaration Requirements) Order, 2023, Resolution was passed by the House on December 18, 2023.

Despite the increased threshold, public officials who occupy certain positions or perform certain functions will still be required to file statutory declarations.

Public officials are asked to view the 2023 Gazette of Positions to determine if they need to file a Statutory Declaration by March 31, 2024.

The 2023 Gazette of Positions required to file a Statutory Declaration will be sent to all Public Bodies by January 10, 2024, and may also be accessed at

https://integrity.gov.jm/sites/default/files/gazette_documents/IC%20Gazette%202023.pdf

In the meantime, all other public officials who have outstanding Statutory Declarations for the periods ended December 31, 2018 - December 31, 2022, must file them by March 31, 2024.

There are also new filing requirements for members of the Jamaica Constabulary Force (JCF) and the Jamaica Defence Force (JDF).

Only Senior JCF and JDF officers, as listed in the 2023 Gazette of Positions to file Statutory Declarations, are required to file as at December 2023, by March 31, 2024, and thereafter annually.

Other JCF and JDF personnel will file Statutory Declarations every two and three years, respectively. Therefore, other JCF and JDF personnel will next file Statutory Declarations as at December 31, 2025 by March 31, 2026 and as at December 31, 2026 by March 31, 2027, respectively.

All JCF and JDF officers who have outstanding Statutory Declarations for the periods ended December 31, 2018 - December 31, 2022, must file them by March 31, 2024.

Commissioners: The Hon. Mr. Justice (Ret'd) Seymour Panton, OJ, CD (Chairman); Mrs. Pamela Monroe Ellis, FCCA, CA;
The Hon. Justice (Ret'd) Lloyd Hibbert, CD; Mr. Eric Crawford, CD; Mr. H. Wayne Powell, OD, JP

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3997 DATED 2024-1-11

Given the increased threshold and changes to the filing requirement for the JCI¹ and JDI², other mechanisms will be implemented to ensure that the objects of the Integrity Commission Act are effectively discharged, including encouraging persons to make Complaints and Disclosures using the Integrity Commission Act and the Protected Disclosures Act, respectively, with respect to any public official who may have assets disproportionate to their legitimate earnings.

The gazette of positions to file Statutory Declarations will be reviewed by the Commission annually, with a view to being more precise with the selection of positions.

APPENDIX 'E' (CONT'D) TO FORCE ORDERS NO. 3997 DATED 2024-1-11

Top Caribbean Crime Fighter

To ensure a fair chance for officers from smaller forces versus officers from larger forces, the Top Caribbean Crime Fighter will not only be selected by the number of crimes detected by the nominated officers. The ratio between cases assigned to any officers and detected cases by these officers shall also be considered. Furthermore, the impact that the case(s) detected by an officer (incl. resulting convictions) had on general safety and security within the respective community (and by extension country and region) will be a main criterion for the judges on the panel.

- The nomination must be in relation to an officer's activities within a two year period preceding the nomination for the award.

- The top Caribbean crime fighter has to be dedicated, aware and approach his/her duties with a "can-do" attitude and a case-by-case problem-solving method that goes well beyond traditional reactionary policing.
- The officer will also be judged on his/her ability to take initiative in their work, often going above and beyond what is required.
- Further consideration will be given to how the officer has contributed significantly to the success of his/her police force through unselfish devotion to duty.
- The activities a police officer is nominated for must have the support of the respective Commissioner of Police. Therefore the nomination must be made by the immediate Supervisor, recommended by the Area Commander and confirmed by the respective Commissioner of Police.
