Sub. No. 3 REMINDER - POLICY ON THE MANAGEMENT OF POLICIES AND STANDARD OPERATING PROCEDURES

Force Orders No. 3904, Part I, Sub. No. 6 dated 2022-03-31 is hereby republished for general information.

Attached to these orders as [Appendix 'A'](#) is the Management of Policies and Standard Operating Procedures Policy for general information and strict compliance.

Sub. No. 4 REMINDER - FORCE POLICY ON THE WEARING OF CAMOUFLAGE OR CONCEALMENT GEAR BY MEMBERS OF THE JAMAICA CONSTABULARY FORCE

Force Orders No. 3461, Part I, Sub. No. 1 dated 2013-10-03, is hereby republished for general information.

It is not the standard operating procedure of the Jamaica Constabulary Force to conduct law enforcement duties in camouflage attire. The term camouflage is defined as, 'the disguising of military personnel and equipment by painting or covering them to make them blend in with their surroundings (Oxford Dictionary, Tenth Ed. 1999). However, members of the JCF may be involved in the use of camouflage as defined herein. By virtue of section 3(1) of the Constabulary Force Act, the JCF is 'partially under military organization and discipline' and its members can be called out for military duties under prescribed circumstances as provided for in section 49 of the Constabulary Force Act.

**REMINDER - FORCE POLICY ON THE WEARING OF CAMOUFLAGE OR
CONCEALMENT GEAR BY MEMBERS OF THE JAMAICA CONSTABULARY FORCE
(CONT'D)**

The nature of law enforcement recognizes the universal usage of 'masks' or other disguises to facial recognition of law enforcers in the lawful execution of their duties. Within the context of the significant threat posed by organized transnational crime, there is need to protect the identities of some law enforcement operatives engaged in sensitive deployments. The usage of 'masks' may become necessary for covert duties by members of the Force, particularly in matters that threaten national security or where exposure of their identities will place the members in imminent peril. It is well established that the usage of 'masks' by law enforcers has provided safety and security for the operatives, their clients and members of the public.

The Commissioner of Police, by virtue of section 3(2) (a) of the Constabulary Force Act has sole operational command and superintendence of the JCF. This means that the Commissioner of Police may in his discretion permit members of the JCF to wear 'masks' under certain conditions. In so doing, the law prohibits the Commissioner of Police from abusing his discretion and obliges him to ensure that due process and the rights of the citizens are respected and upheld at all times.

It is the rule and standard operating procedure of the Force that members perform their duties either in uniforms or plain clothes with their identification badges in both circumstances. The use of masks is a deviation from this norm which must be controlled and properly managed by all supervisors. At all times, consideration should be given to the Jamaica Constabulary Force Human Rights and Police Use of Force and Firearm Policy and the general rules regarding the conduct of members of the Force.

Where it becomes necessary for members to wear any 'mask' or other disguising feature, the under mentioned must be followed:

1. Request for usage of masks or other disguising feature must be made by the relevant Commanding Officer to the Deputy Commissioner of Police, Strategic Operations Portfolio for approval.
2. An approval from the Deputy Commissioner of Police, Operations should be in writing.
3. All members to include operatives must comply with the instructions from the Deputy Commissioner of Police, Strategic Operations Portfolio.
4. The Commanding Officers must keep a written record of the names and regulation numbers, where applicable of the personnel authorized to wear masks or other disguising feature and make this available to the Deputy Commissioner of Police, Strategic Operations Portfolio if required.
5. The Commanding Officer under whose command the mask or other disguising feature was used must submit a written report to the Deputy Commissioner of Police, Strategic Operations Portfolio at the conclusion of the operation.
