19TH DECEMBER, 2024

SERIAL NO. 4046

Sub. No. 1 THE COMMISSIONER'S CORNER

Greetings again my Distinguished Colleagues,

I trust that the week has been going well for you and your families.

Today, Friday December 20th, marks the beginning of the penultimate weekend of 2024, and it promises to be a busy one. This is usually the busiest weekend of the year, especially when Christmas falls on a weekday, as in this case. I am sure you have been seeing the increased commercial activities in our town centres and market districts, right across the country.

What I have also been seeing is the increased deployment and your effective presence in the spaces. I was once the Area Commander for Area 3 and never before have I ever seen Main Street, the main roadway through the Town of May Pen, Clarendon, so orderly and free of unruly motorists and vendors. The townships of Black River in St. Elizabeth, Linstead and Spanish Town in St. Catherine, Down Town, Kingston and Mandeville in Manchester, were sights to behold. Kudos to the Commanders and teams in these divisions for demonstrating what is meant by effective presence, and for their wisdom in engaging the relevant stakeholders – including taxi operators and vendors – in helping to create safe and orderly spaces for people to conduct their business.

I know a number of you have been having your staff functions this week, which is good. It is important that we do what we can to make what we do enjoyable, while ensuring that our mandate and core responsibilities are not impacted. I am always of the view that it is better to get 100% from a worker for 80% of the day, than 40% for 100% of the day. Given its nature, what we do can be strenuous and stressful at times, and so it is important that we engage in socially and physically healthy activities that help us to deal with the challenges. But while we do so, let us not for a moment take our eyes off the goal – ensuring public safety and the security of our citizens.

Thanks to your collective efforts and the support of the public, Jamaica is experiencing a 13.9% reduction in major crimes, and a 17.7% reduction in murders. Every single major crime is showing a reduction when compared with 2023. During my visits to the various divisions and speaking with as many of you as I was able to, I noticed many were not aware of the actual crime figures in your respective spaces. Colleagues, remember always that you are contributing to the building of a cathedral. It means, therefore, that it should be of interest to you to know at the end of each tour of duty, how much progress you have made towards this. Again, I remind you, work becomes more meaningful when you see the results of your efforts. Always keep in the forefront of your mind the target that you and your divisional team have set; where you are relative to the target; and the necessary adjustments that may be needed in the overall strategy, or simply in your own personal tactic and approach.

And so my dear Colleagues, as we approach the final days of the year, let us remain focused and committed to the mission. I encourage each of you to take a moment to reflect on the strides we have made together throughout 2024. From reducing crime, to fostering partnerships with stakeholders, our collective efforts have yielded great results. The accomplishments of this year should serve as motivation for what we can achieve in 2025.

As we head into the busy holiday weekend, remember that this is also a time of heightened responsibility for us as law enforcement officers. While many will be celebrating, others may seek to exploit the festivities for unlawful purposes. Your vigilance, professionalism and effective presence are critical in ensuring that our communities remain safe, and that citizens can enjoy the season without fear.

19TH DECEMBER, 2024

SERIAL NO. 4046

THE COMMISSIONER'S CORNER (CONT'D)

Take pride in the role you play in building a safer Jamaica. Every patrol, every operation and every interaction, contributes to the trust and confidence the public places in us. Let us continue to uphold the highest standards of integrity and service, and be mindful that our actions, no matter how small they may seem, have a lasting impact on the lives of those we serve.

Finally, as you balance the demands of duty with the joy of the season, I urge you to take care of yourselves and your families. Recharge when you can and support your colleagues, as we work together to meet the challenges of this period. The safety and well-being of our citizens depend on our ability to function as a united and effective Force.

Thank you for your unwavering commitment and sacrifice throughout the year. Let us finish strong and set the tone for an even more successful 2025. Colleagues, this is our final chat before Christmas, and so I wish you a Merry Christmas and a productive and safe weekend, and may you and your loved ones experience the peace and joy of the season.

Stay safe, stay focused and stay resilient.

Until next week, walk good.

Sub. No. 5 REMINDER - GRANTING OF LEAVE IN THE YULETIDE SEASON

Force Orders No. 4045, Part I, Sub. No. 5 dated 2024-12-12, is hereby republished for general information.

Commanding Officers are hereby reminded of the need to manage the grant of vacation leave and departmental leave in the period leading up to and during the yuletide season.

FORCE ORDERS (CONT'D)

19TH DECEMBER, 2024

SERIAL NO. 4046

REMINDER - GRANTING OF LEAVE IN THE YULETIDE SEASON CONT'D

Rule 4.16 of the Book of Rules is relevant and states:

'Departmental leave may not be granted to any member between the 20th December and the 6th day of January, except in exceptional circumstances.'

Steps are therefore to be taken to ensure the availability of an adequate number of personnel to treat with the exigencies associated with the period leading into the Christmas season.

Commanding Officers are also required to submit a report to Assistant Commissioner of Police, Administration in instances where members granted vacation leave or departmental leave up to December 19 and report sick thereafter.

Sub. No. 6 REMINDER - FIREWORKS, FIRECRACKERS, SQUIBS, ETC.

Force Orders No. 4045, Part I, Sub. No. 6 dated 2024-12-12, is hereby republished for general information.

An import licence is required to bring into the island pyrotechnic articles such as fireworks. Persons found trading in such goods without the required licence shall be subjected to prosecution and seizure of goods.

The activating, discharging or throwing of any squibs, firecracker or any other illegal fireworks in any public place is prohibited by section 3(N) of the Town and Communities Act. Persons found committing any such offence are liable for prosecution.

The activating, discharging or throwing of any squibs or firecrackers is not only frightening but many members of the public find it difficult to differentiate between the explosions of squibs or firecrackers and that of a firearm. This practice becomes more prevalent during the yuletide season and requires increased vigilance by law enforcement officials.

In addition, it is also on record that a number of houses have caught fire as a result of illegal fireworks and were either totally or partially destroyed.

Sub. No. 7 HR CORNER - KEEPING YOU IN THE KNOW!

The Human Resource Division has provided a flyer entitled "*Christmas Greetings*" at [Appendix 'C'](#) for general information.

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 4046 DATED 2024-12-19

1.0 Introduction

The importance of dress and appearance in the workplace cannot be overemphasized. It is even more so for a workplace with an established uniform dress code and grooming standards. A professional dressing style helps employees focus on their jobs, raises self-esteem, affects how peers and superiors perceive an employee, and inspires customer confidence. A well-groomed appearance conveys an image of professionalism and a message that one is serious about the job.

TO FORCE ORDERS NO. 4046 DATED 2024-12-19

Clarendon.
October 20 th. 2024

Officer of the Commission of Police
Old Hope Road
Kingston .

Dear Commissioner Blake, My Name is Authnel Reid, I reside at the above address. It would be remiss of me -even though later- if I did not bring to your attention the intervention of a team of police officers in the case of this family I am about relay. Miss Dene Wilson, a frustrated single mother with five (5) children is having trouble with her 12, and 14 years old sons. The sins of these boys; they gradually started to show disrespect to her and the eldest stays out overnight from her home without her knowledge, or of his whereabouts. She also resents the "bad company" that they are keeping. Neighbors noticed their ever increasing bad behavior. She admonished them in public on the road they hung out and threatened to "report them to the police".

As luck would have it; a team of Police officers in a service vehicle not from our area emblazoned with "St Catherine South" happened to be passing. I stopped the police vehicle and in short order, I explained the situation and seek their intervention... I was given an assurance by the senior officer that : " whenever they were finished with their mission/operation they would return to have a talk with the boys and their mother". (Their father died)

Hours passed and frankly, we did not expect the team of police officers to return. This was on April 6th. 2024. At about 7.00pm the officers, DSP. Paulette Baker, w/Sgt Balis- Price and w/cons. Moses and Wright showed up as promised to talk to the mother and boys.

It was after 9:20 pm the officers concluder their discussion with the boys and their mother. The recommendation was that the family get counseling and that the mother must follow up getting our local police involved. Fast forward, since the police officers Intervened in the p.m. of April 6 2024. Miss Wilson, 'with a happy face' reported that she has seen improvement in the conduct of her sons and how she relates to them. To date the boys are doing fine with counseling form Family services.

These police officer epitomized the true meaning to "protect and serve" . I believe. that these officers went beyond the call of their duty in responding in the manner

that they did "protecting and saving" . It is obvious to me that these officers are trained for this task. So, on the behalf of Miss Wilson, her boys my wife and I, we through you, want to thank the officers for their intervention. They are indeed assets to the JCF . Blessing

I remain
respectfully

Authnel; S Reid
