Sub. No. 1 THE COMMISSIONER'S CORNER

Honouring Our Fallen JCF Heroes

Greetings again my Distinguished Colleagues,

I trust you have been having a great week.

We are at the end of another one of our unforgettable annual Police Weeks, when we celebrate our achievements and evolution over the 157 years of our existence. This year, we also celebrate 75 years of women in the JCF. On Friday last, I witnessed, probably the most well planned and executed gala dinner that I have ever experienced, celebrating our women. It was an affair that was characterized by stunning elegance, from the décor, to our beautiful female colleagues and the elegantly adorned males. Did I mention the performances? They were world class! The MCs were superb! Our band and choir are second to none. Notably, we quite often fail to recognize the awesomeness of our Corporate Communications Network (CCN), who so skillfully and professionally covered the event, that many of our invited guests were amazed that it wasn't a contracted service. Great job guys! It is indeed a good day to be a member of the JCF.

Police Week this year, organised by our Community Safety and Security Branch (CSSB), began with church services across the country, where our fallen brothers and sisters were remembered and honoured. On Tuesday, we hosted the now annual dinner for children of our fallen brothers and sisters. It was a bittersweet event that brought out the joy of remembering and celebrating their lives together, as well as the reminder of the grief of losing one so dear. Let us always remember our fallen heroes.

Colleagues, in the pursuit of safety, security, and justice we often walk a path fraught with danger. You have dedicated your lives to protecting the public, enforcing the law and building a safer Jamaica. Yet, for some, this noble commitment comes at the ultimate cost. We honour those officers who have laid down their lives in service to our nation. Their sacrifice is a solemn reminder of the weight of our duty.

While we immortalize their memories in many ways, some of which include etching their names on plaques or monuments; let us never forget that they were mothers, fathers, sons, daughters, and friends. They were individuals who answered the call to serve with courage and conviction. Whether on routine patrols, during high-risk operations, or in unexpected moments of crisis, these officers stood firm in the face of danger, guided by their unwavering commitment to the rule of law.

Their legacy lives on in the communities they protected and in the lives they touched. Every life saved, every crime thwarted and every community strengthened, attests to their contributions.

The loss of a member sends ripples through the Force, their families and the wider society. It is a stark reminder of the risks we face daily and the resilience required to continue the mission, despite personal loss. For the families left behind, the grief is profound, yet their loved ones' sacrifice serves as a beacon of bravery and selflessness.

For you who have lost a close colleague, the loss is both personal and professional. While I know it reminds you of the inherent dangers of the job, let it also strengthen your resolve to honour the fallen by continuing the work they believed in.

I want to recognize the work of our Welfare Division under the leadership of Mr. Raymond Wilson, as well as our Chaplaincy Services, led by Dr. Gary Budhoo-Fletcher, our Force Chaplain, for the amazing work they have been doing in ensuring that we provide the necessary support to the families of our fallen officers. These efforts include financial assistance, counselling services, and programmes designed to ensure that their loved ones are not forgotten.

THE COMMISSIONER'S CORNER (CONT'D)

I want to take this opportunity to thank the people we serve and the various institutions that have provided valuable support to the JCF and its members in times of tragedy. Such support helps to ensure that their sacrifices are not in vain.

The lives of fallen members remind us that peace and security come at a cost. Their stories serve as an inspiration to us all, a testament to our strength and resilience, as we dedicate ourselves to the service of others.

Colleagues, as we honour these brave souls, let us recommit ourselves to building a society where their sacrifices lead to lasting change – a safer, more united Jamaica.

I wish for you and your families a blessed, peaceful and safe weekend. Let us enjoy moments with our loved ones while we can. Until next week, walk good!.

Sub. No. 4 REMINDER - MODIFICATION - JAMAICA CONSTABULARY FORCE POLICY FOR THE MANAGEMENT OF POLICIES AND STANDARD OPERATING PROCEDURES

Force Orders No. 4042, Part I, Sub. No. 4 dated 2024-11-28, banner page is hereby republished with modification at [Appendix 'B'](#) for general information.

Attached to Force Orders No. 4042, Part I, Sub. No. 4 dated 2024-11-28 is the Jamaica Constabulary Force Policy for the Management of Policies and Standard Operating Procedures for general information and strict compliance.

Sub. No. 5 REMINDER - GRANTING OF LEAVE IN THE YULETIDE SEASON

Force Orders No. 3995, Part I, Sub. No. 3 dated 2023-12-28, is hereby republished for general information.

Commanding Officers are hereby reminded of the need to manage the grant of vacation leave and departmental leave in the period leading up to and during the yuletide season.

Rule 4.16 of the Book of Rules is relevant and states:

'Departmental leave may not be granted to any member between the 20th December and the 6th day of January, except in exceptional circumstances.'

Steps are therefore to be taken to ensure the availability of an adequate number of personnel to treat with the exigencies associated with the period leading into the Christmas season.

Commanding Officers are also required to submit a report to Assistant Commissioner of Police, Administration in instances where members granted vacation leave or departmental leave up to December 19 and report sick thereafter.

Sub. No. 6 REMINDER - FIREWORKS, FIRECRACKERS, SQUIBS, ETC.

Force Orders No. 3995, Part I, Sub. No. 4 dated 2023-12-28, is hereby republished for general information.

An import licence is required to bring into the island pyrotechnic articles such as fireworks. Persons found trading in such goods without the required licence shall be subjected to prosecution and seizure of goods.

The activating, discharging or throwing of any squibs, firecracker or any other illegal fireworks in any public place is prohibited by section 3(N) of the Town and Communities Act. Persons found committing any such offence are liable for prosecution.

The activating, discharging or throwing of any squibs or firecrackers is not only frightening but many members of the public find it difficult to differentiate between the explosions of squibs or firecrackers and that of a firearm. This practice becomes more prevalent during the yuletide season and requires increased vigilance by law enforcement officials.

In addition, it is also on record that a number of houses have caught fire as a result of illegal fireworks and were either totally or partially destroyed.

Sub. No. 7 REMINDER - UNAUTHORIZED USE OF JAMAICA DEFENCE FORCE IDENTIFICTION CARD

Force Orders No. 4042, Part I, Sub. No. 2 dated 2024-11-21, is hereby republished with for general information.

It has been brought to the attention of the Jamaica Defence Force (JDF) that there is an increasing prevalence of the persons using JDF Identification (ID) Cards in an unauthorized and illegal way. This includes the use of expired and fake ID cards to access services. This often brings the JDF into disrepute and sometimes poses a security risk to law abiding citizens.
