DPO/OROLSI/PD/2019/0027

The Secretariat of the United Nations presents its compliments to the Permanent Mission of Member State to the United Nations and has the honour to invite its Government to nominate individual police officers in active service for appointment on secondment to the United Nations Multidimensional Integrated Stabilisation Mission in Mali (MINUSMA), for a period of one year. Any further contract extension can be granted on an exceptional basis provided there is a mission mandate requirement and the incumbent displays good performance, dedication, professionalism and the achieved results. The final decision on the extension is subject to approval by the United Nations and concurrence by the national authorities.

Details regarding the post/s for which the Secretariat is seeking qualified applicants are provided in the attached job opening/s No 2019-MINUSMA-86775-DPO. Also attached are the "Application Procedures for Positions in United Nations Police Components in Peacekeeping Operations and Special Political Missions Requiring Official Secondment from National Governments of Member States of the United Nations".

The Secretariat kindly requests the Permanent Mission to submit a separate application for each nominee for each job opening to the Selection and Recruitment Section/ Police Division/OROLSI/DPO, 1 UN Plaza, 7th floor, room DC1-0721, in accordance with the above-referenced procedures, certifying that the nominee/s meet/s the requirements in the attached job opening/s. Applications submitted after the deadline specified in the job opening will not be considered.

The Permanent Mission is also requested to confirm that selected candidates will be released, in a timely manner, from the national police service obligations for service with the United Nations. It is also requested to ensure that the rank of each candidate submitted is indicated on the application. In addition, it is strongly recommended that Member States carefully pre-screen their applicants and submit only those candidates meeting all requirements for the position as described in the job opening/s.

Member States are strongly encouraged to nominate qualified female police officers. Preference will be given to equally qualified women candidates.

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3751 DATED 2019-04-25

UNITED NATIONS

NATIONS UNIES

The Secretariat wishes to inform the Permanent Mission of Member State that, in an effort to streamline and expedite the procedures of recruiting seconded officers, candidates placed on a roster following the selection process may be considered for posts with similar functions within a period of two years and if recommended for deployment, further arrangements will be coordinated with the Permanent Mission in due course.

It should be noted that during the period of their secondment, officers may not transfer to alternative positions within the United Nations. As a result, the nomination of police officers who are currently United Nations staff members on secondment, will not be considered.

The Secretariat wishes to reiterate that promoting and encouraging respect for human rights is a core purpose of the United Nations and central to the delivery of its mandates. Should the Secretariat become aware of grave human rights violations which give rise to concerns as to the record and performance of [country] police personnel, this may constitute grounds to revoke its acceptance of such personnel to serve in UN peace operations. In the case of nominees who have been investigated for, charged with or prosecuted for any criminal offence, with the exception of minor traffic violations (driving while intoxicated or dangerous or careless driving are not considered minor traffic violations for this purpose), but were not convicted, the Government is requested to provide information regarding the investigation(s) or prosecutions concerned. The Government is also requested to certify that it is not aware of any allegations against its nominated candidates that they have committed or been involved, by act or omission, in the commission of any acts that may amount to violations of international human rights law or international humanitarian law.

The Secretariat recalls that it has a zero-tolerance approach to fraud and corruption. The Government is therefore requested to certify that there was no corruption or fraud in the nomination and extension procedures of police officers on secondment to the United Nations. Should the Secretariat become aware of allegations of corruption or fraud in the nomination or extension procedures of police officers on secondment, this may constitute grounds to revoke its acceptance of such personnel to serve in the United Nations as well as suspension of any future police deployments from the contributing country concerned.

The Secretariat also recalls that the responsibilities of those personnel who are appointed to serve in United Nations peacekeeping or special political missions are exclusively international in character. They perform their functions under the authority of, and in full compliance with, the instructions of the
