**FORCE ORDERS (CONT'D)**

**10<sup>TH</sup> JANUARY, 2019**

**SERIAL NO. 3736**

**Sub. No. 3      REMINDER - CLOSING OF BOOKS AND REGISTERS**

Force Orders No. 3735, Part I, Sub. No. 3 dated 2019-01-03, is hereby republished for general information.

Commanding Officers of geographic formations are to note that books and registers at stations are to be closed at the end of each financial year except where specific instructions are given to the contrary.

Sub-officers in charge of stations are to be sensitized accordingly.

**Sub. No. 4      REMINDER - MORATORIUM ON THE SEIZURE OF CHASSIS USED IN THE HAULAGE OF CONTAINERIZED CARGOS**

Force Orders No. 3735, Part I, Sub. No. 4 dated 2019-01-03, is hereby republished for general information and strict compliance.

Members of the Jamaica Constabulary Force have been properly engaged in the prosecution of drivers and the seizure of chassis used in the haulage of containerized cargos to and from the Port of Kingston, which are not licensed in accordance with the provisions of the Road Traffic Act.

This legitimate action however, has resulted in much dislocation in the island's commercial activities.

As a consequence, several stakeholders to include, the Port Trailer Haulage Association, the Shipping Association of Jamaica, the Ministry of Transport, Works and Housing and the Island Transport Authority have entered into discussions with a view to resolve the issues relating to the licensing and registration of these chassis and to have them compliant with the Road Traffic Act.

In light of the ongoing effort which is fully supported by the Port Authority of Jamaica, members of the Force are to discontinue the prosecution of drivers and the seizure of these chassis until further orders.

Commanding Officers must ensure that this subject is brought to the attention of all members under their command.

**Sub. No. 5      REMINDER - NEGLIGENCE / FAILURE TO HONOUR LAWFUL DEBT - MEMBERS OF THE JAMAICA CONSTABULARY FORCE AND ITS AUXILIARY**

Force Orders No. 3735, Part I, Sub. No. 5 dated 2019-01-03, is hereby republished for general information.

It has been brought to attention that in recent times there has been increased instances where members who have entered into private debt arrangements with financial institutions and individuals have either **refused** or **neglected** to honour their obligations. This behaviour has attracted unfavourable comments and is seriously eroding the image of the organization.

Regulation 46 (2) (3) Part I of the Second Schedule of the Police Service Regulations, 1961, states as follows:

*'Refusing or neglecting to pay any lawful debt, is an offence to be dealt with summarily'*

Members are required to observe this provision, failing which appropriate disciplinary action will be taken. Any such breach reported will not be countenanced by the Force.

**APPENDIX 'A' THE JAMAICA CONSTABULARY FORCE ACCELERATED PROMOTION PROGRAMME  
POLICY 2019  
TO FORCE ORDERS NO. 3736 DATED 2019-01-10**

**The Jamaica Constabulary Force Accelerated  
Promotion Programme Policy**

2019

**APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3736 DATED 2019-01-10**

**SECTION A**

**Introduction**

Historically, accelerated promotion programmes have served various purposes in police services and other business environments. For all organisations these programmes have generally contributed to their capacity to manage their manpower talent, motivate the younger members of the organisation to excel and to bring new knowledge and skills into the management group. All such programmes have generally been futuristic and based on the premise of providing a pool of middle managers with extensive knowledge of the functions, operations and values of the organization, in the short to medium term. The Jamaica Constabulary Force is no exception, it has used such programmes for over 40 years to augment the Officer Corps, filling manpower gaps and provide an additional pathway to advancement for individuals. These programmes have therefore played their part in facilitating the management of the impact of attrition due to retirement and resignation as well as introduce “new blood” and ways of thinking into the Officer Corps.

The programme governed under this policy is the JCF Accelerated Promotion Programme for persons from the ranks of Constable to Sergeant who will be selected and groomed to enter the Officer Corps. This policy document is intended to provide information and guidance on the management, content and progression of the programme. It covers the initial application and selection processes as well as the management of the training and development of the selected programme participants.

This policy is divided into two sections. Section A outlines the purpose, rationale and responsibilities; while Section B deals with the application, selection, training and development components of the Accelerated Promotion Programme.

**I. PURPOSE OF THE POLICY**

- a) This policy supersedes the New Accelerated Promotion Policy promulgated in Force Orders 3354, dated 2011-09-15.

**APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3736 DATED 2019-01-10**

- b) The policy is provided to contribute to the Jamaica Constabulary Force's effort at manpower planning.
- c) The policy is designed to govern the activities entailed in identifying a cadre of members from the ranks of Constable through to Sergeant with the potential for promotion to the rank of Deputy Superintendent of Police upon successful completion.

**II. RATIONALE FOR POLICY CHANGE**

The most recent accelerated promotion programme utilized by the organisation to select and train personnel to fill the role of junior managers was the JCF's New Accelerated Promotion Programme (NAPP) (Force Orders 3354 dated 2011-09-15).

This programme sought to:

- a) *merge all the special management training for officers, which had previously existed in the form of the Graduate (Direct) Entry Programme (GDEP), the Internal Graduate Development Programme (IGDP) and the Accelerated Promotion Programme (APP); to ensure parity, integration and a greater level of synergy among the cohorts trained under the programmes.*
- b) *select, train and develop candidates to ensure :*
  - i. *that a core of young, energetic, bright and well trained change agents who are able to generate high value at early stages in their career are available to fill existing and emerging positions at the junior command level of the Force.*
  - ii. *that candidates develop the requisite leadership, management and command competencies to effect change leadership consistent with the philosophy and strategies of Community Policing.*
  - iii. *the appropriate induction (where necessary), orientation and integration of candidates into the J.C.F's Officer Corps.*
  - iv. *enhanced efficiency, effectiveness and professionalism in policing.*

## **APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3736 DATED 2019-01-10**

*The NAPP built on the previous programmes in that as with the:*

- a) IGDP and the APP primarily, it considered a broad pool of personnel available from the junior level of the organisation and selected the best suited candidates for development.*
- b) IGDP and the APP, the programme included both academic and professional development components.*
- c) GDEP, participants were promoted to the rank of Assistant Superintendent of Police.*

This JCF Accelerated Promotion Policy represents a distillation of the organization's experience and efforts to identify, train and accelerate the promotion of suitably qualified members to fill the forecasted gap in the middle management ranks.
