SERIAL NO. 3752

Sub. No. 1 FROM THE PEN OF THE COMMISSIONER

I am extremely concerned and disappointed about the events that transpired last Saturday night into Sunday morning as I am sure most of you are. The public who we serve, has once again been given reason not to trust or have confidence in us. When incidents like these occur the good we do and the sacrifices we make get drowned out amid the noise of public outcry. It is unfair for the good, dedicated and decent police officers of the Jamaica Constabulary Force to have to bear the burden of members who are selfish, corrupt and have no regard for the Rule of Law.

We have to recalibrate our Force and ground it on three pillars – Rule of Law, Respect for All and Force for Good. The time for transformation and renewal is upon us and we must own this process.

In this regard there are a number of areas in which changes will be made. In the first instance the processes, procedures, structures, equipment and training around specialized operations will be re-examined. The Mobile Reserve which has for many years led on this, will need to be wound up and a new specialized operations branch formed. This new unit will be adequately manned, equipped, trained and led to meet the current and future threats to our country.

Let me reassure the good men and women currently serving in Mobile Reserve that you need not worry about what is to happen as there is always a place for the good and committed. I am aware of the critical role that the members of Mobile Reserve play in our crime fighting efforts; however, as a unit its reputation has over time been tarnished to the point where it is associated with human rights abuses and persons operating outside of the normal roles and accountability framework of the Force. This reputation both locally and abroad affects every officer in the unit even if they have operated with honour and integrity. This is unacceptable and has obtained for far too long. This is the first step on our path to becoming the trusted and credible Force that Jamaica needs, where officers serve with pride and dignity.

There will be a suite of audits into various aspects of the Force, including how we have delivered service to the public. Based on the outcomes of this process we will undertake the various reforms that will transition us into an organization we can be proud of. The well-meaning and dedicated members of the Force can rest assured that I will be moving aggressively on corruption, solicitation of money, rude and abusive behavior and disregard for policies and procedures of the organization.

We will together, redefine ourselves in the minds of the people we serve and in our own minds so that we put service above self and become the highly respected and trusted Force we must be. God bless us all.

APPENDIX 'A' (CONT'D) TO FORCE ORDERS NO. 3752 DATED 2019-05-02

JAMAICA CONSTABULARY FORCE

I. Introduction

The 2019 Selection Procedure for Promotion Policy is the 4th Edition of a written policy to govern the selection and promotion of personnel in the JCF. The first, second and third editions were published in 1997, 2004 and 2009 respectively. This Edition seeks to improve the scope of the third edition with particular emphasis on objectivity, integrity, transparency and fairness of the selection process to ensure that it not only selects the best candidates for promotion, but also encourages members to continue to strive for excellence. The review process therefore, will be ongoing to help build and sustain a culture of learning and achievement which will be adapted and demonstrated into actual service delivery.

The regulations herein contained specify the selection procedure for promotion to the following ranks:

- a. Corporal
- b. Sergeant
- c. Inspector
- d. Deputy Superintendent (DSP)
- e. Superintendent (SP)
- f. Senior Superintendent (SSP)

The Selection Procedure for Promotions to the abovementioned ranks will be held every two (2) years, subject to vacancies and will commence in July of each exam year. It will consist of:

- c. Assessment Centre including Panel Interviews (except Corporal Qualifying)
- d. Performance Appraisal
- e. Integrity screening

II. Purpose

The purpose of this policy is to establish procedures for use by the Jamaica Constabulary Force (JCF) in determining eligibility and selection of members for promotion. The policy establishes criteria and procedures for promotion to the ranks of Corporal, Sergeant, Inspector, Deputy Superintendent, Superintendent and Senior Superintendent.

The key objectives are to:

- a. Select candidates on the basis of merit for promotion.
- b. Ensure that every candidate is assessed fairly and objectively against clear professional standards.
- c. Select and advance competent persons to the supervisory and middle management positions, in order to maintain an effective and professional workforce.
