PART I - ADMINISTRATION AND NOTIFICATIONS

11TH JUNE, 2020

SERIAL NO. 3810

Sub. No. 1 **ESTABLISHMENT OF THE SPECIAL PURPOSE TASK FORCE - JAMAICA
CONSTABULARY FORCE (JCF) SPECIALIZED OPERATIONS AND JAMAICA DEFENCE
FORCE (JDF) COMBAT SUPPORT BATTALLION**

The Jamaica Constabulary Force (JCF) and the Jamaica Defence Force (JDF) have established a Special Purpose Task Force through a partnership between Specialized Operations of the JCF and the Combat Support Battalion of the JDF to combat criminal gangs, organizations and groups in Jamaica.

VISION

The Vision of Specialized Operations is to be a high quality operational response formation, by utilizing superior intelligence gathering, investigation and tactical skills to solve all high risk public safety and public order issues within communities.

MISSION

The Mission of Specialized Operations is to deploy Level 2-4 tactical policing assets to support the crime reduction effort of the Jamaica Constabulary Force by targeting individuals and gangs that commit murders, shootings, robberies and other violent crimes.

COMMAND INTENT

The Commander's intent is to dismantle and disrupt the most violent gangs in Jamaica by careful study and investigation of their organization, facilitators, ethos and financing to identify leadership and other key actors for law enforcement applications.

Gangs have been significant drivers of violence especially murders, shootings, robberies and rape over the last forty years. Specialized Operations has identified the island's most violent gangs and will utilize the application of law enforcement tactics aimed at dismantling and at the very least, disrupting the said criminal organizations.

Specialized Operations is comprised of five Companies (COYs), four (4) of which are line Companies - Alpha, Bravo, Charlie and SWAT, with the fifth Company being the Headquarters Company. Each line COY is made up of three (3) Platoons and a Headquarters element. The COYs operate on a "Round-the-Clock" basis.

STRATEGY

The Task Force will leverage a spectrum of capabilities creating a multiplier effect in targeted spaces thus, restricting the freedom of movement and action of criminals. The Task Force will co-ordinate resources to positively impact areas currently being affected by an increase in crime as a result of gang activities. The efforts of the Task Force will be boosted consistently with the support of intelligence and investigation teams, as well as divisional resources.

The Jamaica Constabulary Force welcomes the opportunity to strengthen the historical relationship with the Jamaica Defence Force, and in particular, the Combat Support Battalion on this most important endeavour. The Jamaica Constabulary Force remains committed to making its contribution to Vision 2030 - "making Jamaica the place of choice to live, work, raise families and do business."

Sub. No. 2 **FURTHER EXTENSION - GRACE PERIOD FOR RENEWAL OF TRANSPORT AUTHORITY
ROAD LICENCES**

Attached to these Orders as [Appendix 'A'](#), is a letter from the Transport Authority indicating that in light of the current Covid-19 pandemic, the grace period for renewal of Transport Authority Road Licences has been further extended for four (4) months commencing **Saturday, May 30, 2020** and ending **Wednesday, September 30, 2020**.

FORCE ORDERS (CONT'D)

11TH JUNE, 2020

SERIAL NO. 3810

FURTHER EXTENSION - GRACE PERIOD FOR RENEWAL OF TRANSPORT AUTHORITY ROAD LICENCES (CONT'D)

Members of the Jamaica Constabulary Force are not to prosecute operators whose road licences have expired during the grace period. However, appropriate police action must resume following the expiration of the grace period.

This subhead must form the subject of lectures for the next four (4) weeks.

Sub. No. 3 REMINDER - HURRICANE STANDING ORDERS - JAMAICA CONSTABULARY FORCE

Force Orders No. 3809, Part I, Sub. No. 3 dated 2020-06-04, is hereby republished for general information.

We are now in the hurricane season for 2020 and it is imperative that all ranks be reminded of the actions to be taken in the event that a hurricane affects Jamaica, during the hurricane, or after the passage of the hurricane.

An immediate audit must be conducted on the number of lanterns available at each police station and where there is an inadequate number; representation must be made to the Assistant Commissioner of Police in-charge Services Branch for additional supplies.

HURRICANE STANDING ORDERS

1. The purpose of these Orders is to ensure that:-
 - (a) hurricane warnings are disseminated to all police formations;
 - (b) all practicable precautions are taken in advance to minimize the risk of injury to personnel and the loss or damage to equipment and buildings during a hurricane; and
 - (c) the police take action immediately after a hurricane to make a rapid survey of damage and report to Headquarters, affording possible assistance to those in distress as well as the Municipal Corporations and the Office of Disaster Preparedness and Emergency Management.

WARNING PROCEDURE

2. Information regarding the progress of hurricanes in the Caribbean is supplied by the Meteorological Office to this Headquarters.
3. When a hurricane is likely to affect Jamaica, warnings will be phased as follows:-

PHASE 1	When a notification is received that a hurricane which is likely to affect Jamaica is in the Caribbean. (Hurricane Alert).
PHASE 2	When notification is received that a hurricane is likely to strike Jamaica within 24 hours. (This is the Departmental 24 hours warning).
PHASE 3	When notification is received that a hurricane is likely to strike Jamaica within 12 hours. (This is the Departmental 12 hours warning).

11TH JUNE, 2020

FORCE ORDERS (CONT'D)

SERIAL NO. 3810

REMINDER - HURRICANE STANDING ORDERS - JAMAICA CONSTABULARY FORCE (CONT'D)

PHASE 4 When notification is issued that a hurricane is likely to strike Jamaica in 6 hours or less.

4. In addition to the above, warnings will be issued through the communications media-newspapers, radios and television. A red flag with a black square will be hoisted at Post and Telegraph Stations to indicate that a hurricane warning has been received. Particulars of the warning will be on the notice board at the stations.

The Harbour Master will cause the following signals to be displayed in Kingston from the flagstaff at his Headquarters, New Port East-

BY DAY	Two red flags with black center squares
BY NIGHT	Two red lights vertically placed six feet apart.

It is appreciated that some rural stations may not receive PHASE4 warning in time and therefore sub-officers in-charge stations should listen to the radio stations after the PHASE 3 warning has been issued.

EMERGENCY CONTROL ROOM

5. At PHASE 2, a National Control Room will be set up at 103 Old Hope Road (Office of the Commissioner of Police) with JDF representatives and necessary equipment.
6. The police will be represented by the Assistant Commissioner of Police in-charge Operations Branch and Superintendent of Police in-charge Telecommunications Division. The latter will provide emergency lighting and auxiliary power supply for all equipment necessary. He will also provide wireless communications on the JCF Network.

ACTION ON RECEIPT OF WARNING:-

7. The Officer at Police Emergency Communications Centre (PECC) on receipt of a hurricane warning from the Meteorological Office will inform the persons listed at Appendix 'A' to Force Orders 3761 by the quickest means available:-
8. Messages should be brief and should contain a summary of the latest weather report, preceded by the phase "Hurricane Warning Phase one, two, etc."
9. Officers in-charge Areas, Divisions/Formations, Stations and Branches will ensure that warnings are passed to all personnel under their command and occupants of Government Quarters.

RELAXING PRECAUTIONS:-

10. Hurricane Phase will NOT be cancelled or precautions relaxed except on authority from Police Headquarters.

PRECAUTIONS BEFORE AND AFTER A HURRICANE:-

11. Attached as Appendix 'B' to Force Orders 3761 is the general precautions to be taken before and after a hurricane. This list will be valuable not only to the Police, but to members of the public who seek advice and information at Police Stations.
12. Appendix 'C' to Force Orders 3761 gives the preparations which are to be made by the Police in regards to their stations and duties.

11TH JUNE, 2020

FORCE ORDERS (CONT'D)

SERIAL NO. 3810

REMINDER - HURRICANE STANDING ORDERS - JAMAICA CONSTABULARY FORCE (CONT'D)

CHARACTERISTICS OF A HURRICANE:-

13. The general characteristics of hurricanes are given at Appendix 'D' to Force Orders 3761.

ACTION DURING HURRICANE

14. All fires in cooking stoves will be extinguished.
15. All ranks will remain safely indoors or suitable cover.
16. Wireless communications will be maintained if possible with all stations. When radio equipment is threatened, the set will be secured and outside equipment taken down and stored. Before this is done, PECC should be informed of the closing down of the Station.

ACTION AFTER HURRICANE

17. Wireless contact shall be established as soon as possible. The Superintendent in-charge Telecommunications Division will direct immediate action to repair any damaged wireless equipment, and will treat the re-establishment of communications with the highest priority.
18. Immediately the weather abates, police should be dispatched in several directions throughout the districts to make a rapid survey of damage done to property, buildings, cultivations and communications.
19. Divisional Officers will forward an appreciation of the situation to Police Emergency Control Centre and Area Headquarters with as little delay as possible and by the fastest means available.
20. In any event, Area Officers will forward to PECC, daily reports by 1:00pm and, additionally, each day as the situation warrants and/or as directed by the Commissioner of Police.
21. As soon as the necessary information is collected, a full report (in duplicate) of all damage, under the following headings, will be forwarded to Police Headquarters by Divisional Officers through Area Officers:-
- (a) persons killed or injured;
 - (b) persons in distress and homeless, and where housed for shelter;
 - (c) general condition of inhabitants with regard to food, clothing, shelter, etc.;
 - (d) damage to crops, houses, factories and government property;
 - (e) animals or livestock killed or injured;
 - (f) damage to communications, that is, roads, telegraph, telephone and wireless systems and
 - (g) damage to vessels, boats, etc.
22. The police will co-operate fully with the ODPEM, the local Emergency Relief Committees, the Central Emergency Relief Committee, the St. John Ambulance Brigade and the Jamaica Red Cross Society.
23. There may be hunger and destitution and the police will render every possible assistance. The police may be called upon to perform duties which are not provided for in these Orders, and all ranks must be prepared to do everything necessary to restore normalcy. It must be clearly understood, however, that this instruction does not include authority to incur expenditure which cannot be subsequently justified.

11TH JUNE, 2020

FORCE ORDERS (CONT'D)

SERIAL NO. 3810

REMINDER - HURRICANE STANDING ORDERS - JAMAICA CONSTABULARY FORCE (CONT'D)

MOBILE RELIEF COLUMNS

24. These will be provided as directed by the Commissioner of Police and each detail will be commanded by an Inspector, at least.

Assistant Commissioner of Police, Specialized Operations, will therefore maintain a Special Store of suitable food, water and first aid items for this purpose.

The purpose of the Mobile Relief Column will be to render assistance after the hurricane to persons, especially children, marooned and suffering in otherwise inaccessible areas.

ASSISTANCE TO MET OFFICE

25. When members of the staff are unable to contact their office at the Norman Manley International or Donald Sangster International Airports after a hurricane, they will report to the Motorized Patrol Division, Elletson Road or the Freeport Police Station in Montego Bay for assistance.

The Police Officer concerned will contact the National Works Agency to provide transport and will render any other assistance possible.

If telephone communication is impossible or non-existent when the MET Office wishes to pass a hurricane bulletin to Police Headquarters, etc., such bulletin will be passed in writing to the police station at the Norman Manley International Airport.

The police there will pass the information to PECC by the fastest means available. The Officer at PECC will then notify the following as to its contents – Radio Stations, Telephone Companies and Central Emergency Relief Committee.

All members will ensure that they are aware of the provisions of the Hurricane Standing Orders.

Area, Branch and Divisional Commanders will ensure that all ranks are lectured on the requirements of these Orders, and will forthwith make suitable arrangements for the protection of Force vehicles (including police launches), buildings and other items of Government Property under their control in the event of a hurricane.

Sub. No. 4 REMINDER - MINISTRY OF HEALTH AND WELLNESS BLOOD DONATION

Force Orders No. 3809, Part I, Sub. No. 4 dated 2020-06-04, is hereby republished for general information.

Attached to Force Orders No. 3806 as Appendix 'A' is a request from the Ministry of Health and Wellness, National Blood Transfusion Service, urging members of the Jamaica Constabulary Force in good health to donate blood due to challenges relating to COVID-19 pandemic.

Commanding Officers are asked to encourage members under their command to support this drive.

Sub. No. 5 MEDICAL ARTICLE - NOVEL CORONAVIRUS (2019-n CoV)

The Medical Services Branch has provided the attached article at [Appendix 'B'](#) on the Novel Coronavirus (2019-n CoV) for general information.

FAX: (876) 929-4178

Major General Antony Anderson
Commissioner of Police
Office of the Commissioner of Police
101-103 Old Hope Road,
Kingston 6.

Dear Major General Anderson:

Re: Further Extension for Renewal of Road Licences

In light of the current health concerns regarding the COVID-19 virus, the Transport Authority has been directed by the Minister of Transport & Mining, Hon. Robert Montague, M.P. to allow a further grace period for the renewal/reapplication period for road licences for public passenger vehicles (PPV) and commercial carriers which would have expired on May 29, 2020. **The period has now been extended to September 30, 2020.**

During the four (4) month period commencing on **May 29 and ending September 30, 2020** these licensees are permitted to undertake their normal operations, without being prosecuted by the Transport Authority.

The Transport Authority is again asking if consideration can be given for the exercising of this discretion by the JCF throughout this grace period.

Yours sincerely,
TRANSPORT AUTHORITY

**APPENDIX 'B' MEDICAL SERVICES BRANCH ARTICLE - NOVEL CORONAVIRUS
TO FORCE ORDERS NO. 3810 DATED 2020-06-11**

NOVEL CORONAVIRUS (2019-n CoV)

CASE:

A twenty-four-year-old male taekwondo student, Carlos Doe, returns home to Jamaica from a martial arts tournament in Wuhan City, Hubei Province China. Upon his return he begins noticing *fever, cough, stuffy nose with clear mucus draining from nose, joint pains and weakness*. He begins to take over the counter vitamins, honey and lime but three days later he notes *worsening shortness of breath, chest pain and cough*. He presents to his medical practitioner for treatment.

What is Coronavirus?

These are a large family of viruses, studied since the 1960s, that can cause a spectrum of diseases, ranging from the simple common cold to more lethal lung infections such as Middle East Respiratory Syndrome (MERS) and Severe Acute Respiratory Syndrome (SARS). *Coronaviruses exist in both humans and some animals such as snakes, cattle, bats.*

What is novel Coronavirus (2019- nCoV)?

This is a newly discovered type of coronavirus. This virus was identified first in late December 2019 when the World Health Organization (WHO) was contacted after several cases of pneumonia (lung infections) were diagnosed in Wuhan City, Hubei Province China. On January 7th Chinese authorities identified the virus as a coronavirus similar to **MERS** and **SARS**. Novel coronavirus, like other coronavirus infections, is characterized by respiratory and flu-like symptoms. Novel coronavirus infections currently do not appear to be as severe as SARS or MERS.

What is SARS (Severe Acute Respiratory Syndrome)?

This is a lethal infectious condition caused by SARS associated coronavirus (**SARS-CoV**) characterized by flu-like symptoms and severe breathing and lung failure (respiratory failure). It was first reported in 2002 in Guangdong Province Southern China.

What is MERS (Middle East Respiratory Syndrome)?

This is a lethal respiratory (lung) infectious disease caused by a special coronavirus, (**MERS-CoV**), which was identified in 2012 in Saudi Arabia. It is linked to countries near the Arabian Peninsula such as Iran, Bahrain, Yemen and Kuwait. It is characterized by flu-like symptoms which can progress to respiratory (breathing) failure.

What are some of the symptoms of novel coronavirus infection?

The symptoms are similar to most coronavirus infections. These include: *fever, weakness, headache, muscle pains, cough, runny nose, shortness of breath*. Initially, persons may have the infection and not display symptoms immediately. When symptoms appear they usually begin with fever, weakness and joint pains. A few days later, respiratory symptoms such as cough and shortness of breath begin. Symptoms may progress to cause organ failure and death in severe cases.

How is novel coronavirus spread from person to person?

Transmission mainly includes respiratory droplets which arise from coughing and sneezing. These droplets usually spread up to three (3) feet away. Spread can occur when an individual comes in contact with a surface which is contaminated with infectious droplets (e.g. door knobs, desks, clothing and unclean hands).

How is novel coronavirus different from the flu or Dengue fever?

It may be difficult to use symptoms to distinguish these viral illnesses as they may manifest in identical ways. Laboratory tests may be the only way of distinguishing these conditions. A key difference with dengue fever however, relates to mode of transmission, where the Aedes mosquitoes are needed for transmission as opposed to respiratory droplets for coronavirus transmission.

APPENDIX 'B' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

How can one reduce the chances of getting infected with novel coronavirus?

1. *Frequent hand-washing with soap and water for at least twenty (20) seconds or using an alcohol based hand sanitizer where appropriate*
2. *Covering mouth and nose with tissue or utilizing the inner elbow rather than palm of hand while coughing*
3. *Frequent sanitization of surfaces with disinfectant*
4. *Avoiding close contact with sick individuals*
5. *Avoiding touching eyes, nose and mouth with unwashed hands*
6. *Avoiding consuming raw or undercooked animal products*
7. *Obtaining the yearly influenza (Flu) vaccine to reduce your chances of getting other types of respiratory viral infections*

Can one be vaccinated against novel coronavirus?

Unfortunately there is no available vaccine specific for novel coronavirus at this time.

What should one do if one begins having some symptoms of the novel coronavirus infection?

- 1) Avoid excessive contact with other individuals
- 2) Ensure proper respiratory etiquette when coughing or sneezing.
- 3) Consult a medical doctor for necessary evaluation, testing, and timely notification of the Ministry of Health.
- 4) Persons who are infected should be quarantined.

Individuals with certain medical conditions (e.g. Diabetes, Human Immunodeficiency Virus (HIV), Heart and Lung diseases) as well as *children* and *the elderly* may have a higher risk of life threatening complications. As such early intervention and medical consultation is warranted.

How is coronavirus treated?

Treatment will depend on a case by case basis and varies based on severity. Suspected cases should be quarantined. The aim of medical care is to stabilize individuals suffering from severe respiratory symptoms and to preventing deterioration. This may require admission to a hospital an even to an Intensive Care Unit. For less severe cases the aim of treatment is to provide supportive care of symptoms. This may include adequate hydration, reduction of fever with fever medications.

What precautions should I take if I have to travel?

Avoid visiting implicated regions unnecessarily (China, Japan, Korea, Thailand). Persons who have symptoms of a sudden respiratory illness before, during or after travel, are urged to seek medical attention. A detailed travel history should be provided to the medical care provider. Typical measures of disease prevention apply during travel. Airport officials will likely check your travel history and perform health screening. There are policies and international standards for treating with an ill person on-board an aircraft.

Case Cont'd:

The student's doctor does relevant checks and refers him to the hospital where he has blood tests and X-rays done. He is admitted to hospital under quarantine and two weeks later his condition improves. He is discharged home. The Ministry of Health Public Health Department is notified of his case, and necessary health surveillance and educational measures are instituted.

For more information regarding this subject feel free to contact the Medical Services Branch at 876-749-0470, extension 69103 or 69107.

Reduce your risk of **coronavirus** infection:

Clean hands with soap and water
or alcohol-based hand rub

Cover nose and mouth when coughing and
sneezing with tissue or flexed elbow

Avoid close contact with anyone with
cold or flu-like symptoms

Thoroughly cook meat and eggs

No unprotected contact with live wild
or farm animals

World Health
Organization

APPENDIX 'C' MEDICAL SERVICES BRANCH ARTICLE -GUIDELINES FOR SOCIAL DISTANCING, HAND HYGIENE AND THE USE OF PERSONAL PROTECTIVE EQUIPMENT (PPE) IN THE CONTEXT OF COVID-19
TO FORCE ORDERS NO. 3810 DATED 2020-06-11

Guidelines for Social Distancing, Hand Hygiene and the Use of Personal Protective Equipment (PPE) in the Context of COVID-19

SCOPE/PURPOSE

This document was created to provide the members of the Jamaica Constabulary Force (JCF) with guidelines regarding the processes involved in the proper practice of social/ physical distancing, hand hygiene and the use of Personal Protective Equipment (PPE). These protocols form a part of general Infection Prevention and Control (IPC) programs that should be instituted within organizations/ workplaces. Adherence to the principles outlined in the IPC program is crucial in combatting the spread of infectious diseases and, for the purposes of this document, the COVID-19. This can only be achieved if the responsibilities of the organization (JCF) and the personal responsibilities of its members are clearly defined and each party held accountable for its implementation.

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

Social Distancing

Responsibilities	Personal	Institutional
Maintain a distance of 2 meters (6ft) from other people (colleague or customer)	✓	
Do not gather in groups	✓	
Stay away from crowded places and avoid mass gatherings	✓	
Encourage the use of stairs		✓
Stagger working hours and lunch hours for staff where possible allowing adequate time in between cleaning and disinfection by support staff		✓
Leave entrance doors open or cause that they be manned or fitted with automatic doors		✓
Arrange work spaces (e.g. desks and chairs, cubicles) to allow for placement of at least 6ft apart		✓
Place proper signage and markers to clearly define the 6ft distance in general areas (e.g. lunch rooms, in elevators, at customer service counters).		✓

Table 1. Personal and Institutional Responsibilities for Social Distancing

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

Hand Hygiene

Responsibilities	Personal	Institutional
Use hand rub with alcohol content of at least 60-70%	✓	
Wash hands with soap and water regularly and when visibly soiled	✓	
Wash hands at regular intervals with soap and water, especially after handling items such as money, pens, phones, items that are shared between desks, telephones, key boards or chair, door handles and elevator buttons	✓	
Avoid touching face, eyes, nose or mouth after sneezing and coughing	✓	
Place hand washing/ hand sanitizer stations at the entrances of buildings and other areas (e.g. Interview rooms, Guard rooms, lunch areas, offices and other heavily traffic areas)		✓
Organize and conduct training sessions for employees on proper hand hygiene		✓
Provide adequate supplies of sanitization products for offices and vehicles (hand sanitizers, liquid soap, disposable paper towel)		✓
Cause that information about proper hand hygiene practices is displayed in appropriate areas		✓

Table 2. Personal and Institutional Responsibilities of Hand Hygiene

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

Figure 1: Showing Proper Hand Washing Technique (Clean hands protect against infection, 2020)

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

Considerations for Hand Washing

- 1) All adornments worn on the hand must be removed before hand hygiene
- 2) Hands must be washed if visible soiled
- 3) Hands must be washed using clean running water and liquid soap.
- 4) Hands must be scrubbed for at least 20 seconds
- 5) Scrub hands for at least 20 seconds.
- 6) Hands must be held in an upright position
- 7) Hands must be dried with a clean towel or air

How to Handrub?

RUB HANDS FOR HAND HYGIENE! WASH HANDS WHEN VISIBLY SOILED

Duration of the entire procedure: 20-30 seconds

Figure 2: Hand Rub Technique (How to Hand Rub, 2009)

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

Considerations for Hand Rubbing

- 1. Visibly soiled hands MUST be washed.
- 2. Hands should be air dried and not rinsed after hand rub is applied.
- 3. Use an alcohol based sanitizer/ hand rub with at least 60-70% alcohol content.

Personal Protective Equipment (PPE)

Table 3. Personal and Institutional Responsibilities for the Use of Personal Protective Equipment

Responsibilities	Personal	Institutional
Training in risk assessment and donning and doffing of PPE		✓
Selection of appropriate PPE based on risk level	✓	
Correct donning and doffing of PPE	✓	
Ensuring adequate supplies of PPE		✓
Provision of suitable areas for donning and doffing of PPE		✓
Provision of appropriate disposal areas for used PPE		✓
Proper disposal of used PPE in designated areas	✓	

Considerations for Personal Protective Services

Gowns

- It is large enough to provide ample coverage and tie at the back.
- It does not restrict movement.
- It may be securely fastened at the neck and waist, and extend to the knees.
- The sleeves cover the arms completely.

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

Hazmat Suits

- Donning and doffing must be done with at least two (2) trained persons (in pairs).
- The steps for the donning and doffing of the Hazmat suit should be printed and readily accessible for use by the each pair.
- Person #1 should be assigned the role of "trained observer" whose task is to read the steps for the processes aloud and assist person #2 in methodically donning and doffing the PPE.
- Person #2 is the individual donning and doffing the Hazmat suit.
- The trained observer (person #1) should be donned in gloves, mask, gown, eye wear (goggles/face shield).
- Person #2 should ensure proper hydration before donning the Hazmat suit.
- Ensure that the Hazmat suit is correctly sized and poses no restrictions with movement.

Masks

- It should be fit tested for the appropriate brand and size
- One should avoid touching the front (outside) of the mask
- It should fit snugly but comfortably against the side of the face.
- It should be securely fastened with ties or ear loops.
- It should be changed once they become soiled (with secretions or dirt)

Gloves

- Proper fitting of gloves should be chosen.
- Gloves should be changed after each use.
- Gloves must be changed if they are broken /torn.
- Gloves should be sanitized if they accidentally become noticeably soiled during use.

Face Shields

- Should be properly fitted to the face.

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

- Should cover the forehead.
- Should extend below the chin.
- Should wrap around the side of the face covering the ears.

Goggles

- Goggles must fit properly around the eyes ensuring a tight seal.

Safety Considerations for Donned PPE

- Keep gloved hands away from face
- Avoid touching or adjusting PPE
- Remove gloves if they become torn and perform hand hygiene before donning new gloves
- Limit contact with other persons and surfaces

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

Figure 3: Donning and Doffing of Personal Protective Equipment (University of Nebraska Medical Centre, 2020)

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3810 DATED 2020-06-11

Table 4. Procedures in Donning and Doffing of Hazmat Suit

Donning	Doffing
1. Hydrate oneself 2. Put on cover shoe 3. Perform hand hygiene 4. Put on inner gloves 5. Put on coverall ensuring that the edges of glove are tucked under coverall (Secure thumb in aperture for same) 6. Put on N-95 mask 7. Place hood over head 8. Put on the outer gloves 9. Put o goggles/ face shield 10.Trained Observer must verify that the gear is properly donned	1. Disinfect outer gloves 2. Remove outer gloves 3. Inspect and disinfect inner gloves 4. Removes goggles/ face shield 5. Disinfect inner gloves 6. Remove Hood 7. Disinfect inner gloves 8. Remove coverall 9. Disinfect inner gloves 10.Remove cover shoe while sitting on a chair 11.Disinfect and doff the inner gloves 12.Perform hand hygiene 13.Don a new pair of inner gloves 14.Remove N-95 mask 15.Disinfect inner gloves 16.Disinfect combat shoes 17.Disinfect and remove inner gloves 18.Perform hand hygiene 19.Change uniform and place in plastic bag (shower where possible)

APPENDIX 'D' LETTER OF APPRECIATION
TO FORCE ORDERS NO. 3810 DATED 2020-06-11

MINISTRY OF HEALTH
NATIONAL BLOOD TRANSFUSION SERVICE
21 SLIPE PEN ROAD KINGSTON, JAMAICA
TELEPHONE: 922-5181-4 FAX: 967-3196

ANY REFERENCE TO THE MINISTRY OF HEALTH
COMMUNICATIONS SHOULD BE ADDRESSED TO THE
DIRECTOR GENERAL OF LABORATORY SERVICES AND
THE FOLLOWING REFERENCE QUOTED
Ref. No.

27th April 2020

Major General Antony Anderson
Commissioner of Police
Jamaica Constabulary Force (JCF)
Office of the Commissioner of Police,
101-103 Old Hope Road,
Kingston 6
Jamaica

Dear Major General Anderson,

Re: Blood Donations from the Jamaica Constabulary Force (JCF) Trainees

The National Blood Transfusion Service (NBTS) would like to thank the Jamaica Constabulary Force (JCF) for answering the call in providing donors as per letter dated 17 March 20. Blood Drives were facilitated at National Police College of Jamaica on April 7th and 9th. These donations enabled us to respond to the need of Jamaicans in need of Transfusion.

NBTS continues to welcome blood donations from members of the JCF. In the event that a group from the JCF community wishes to donate, NBTS would be willing to make the necessary arrangements. NBTS closely monitors announcements from the Ministry of Health and Wellness and the Pan American Health Organisation and we are taking extra precautionary measures to ensure blood collection centres are clean and safe for everyone to donate.

Yours truly,

Dr. Alisha Tucker
Director (Acting)

**APPENDIX 'E' JAMAICA POLICE CO-OPERATIVE CREDIT UNION LIMITED UPDATE
TO FORCE ORDERS NO. 3810 DATED 2020-06-11**

June 12, 2020

**FOR IMMEDIATE
RELEASE**

JPCCU ADVISORY

To: All Members

From: The Jamaica Police Co-operative Credit Union Limited (JPCCU)

Date: June 11, 2020

Re: MasterCard Update

The Jamaica Police Co-op Credit Union Limited (JPCCU) will soon be replacing your Access Plus Debit Card with a **secure MasterCard Chip and Pin Debit Card**. The features of this card are as follows:

- 1) Real time alerts for transactions done at any Point of Sale (POS) and ATM Transactions.**
- 2) The card can be used for local and overseas transactions**
- 3) Online bill payment**

In order for this upgrade to be facilitated, a JPCCU representative will be contacting you to verify the following information:

- Date of Birth (D.O.B)
- Email Address
- Current Cellphone Number

Please note that we will not ask you for your PIN or Account Number.

If you are not comfortable with providing this information over the phone or to the representative, we ask that you visit any of our branches and provide the information.

Sincerely,

Wray L. Palmer

General Manager

**APPENDIX 'F' PUBLIC SECTOR EMPLOYEES CO-OPERATIVE CREDIT UNION LIMITED UPDATE
TO FORCE ORDERS NO. 3810 DATED 2020-06-11**

**NOTICE TO PUBLIC SECTOR EMPLOYEES CO-OPERATIVE CREDIT UNION
LIMITED MEMBERS**

INVITATION OF NOMINATION BY PETITION

Public Sector Employees Co-operative Credit Union Limited will hold its 52ND Annual General Meeting on August 8, 2020. In preparation for this, the Nominations Committee hereby invite members to nominate suitable candidates to fill vacancies on the Board of Directors, Credit Committee and Supervisory Committee.

The Nominations Committee will carry out its normal functions, in accordance with Article XIII of the rules. In addition, nominations from members will be accepted by petition under the following terms and conditions: -

1. Nominations to fill vacancies on the Board of Directors, Credit and Supervisory Committees must be duly signed by at least five (5) members and submitted to the Nominations Committee for consideration.
2. Candidates nominated will be interviewed by the Nominations Committee to determine suitability to fill vacancies.
3. Each nomination must include a statement of qualifications and biographical data of the nominee and must be accompanied by a signed Candidate Qualification Form from the nominee stating that he/she agrees with the nomination and will serve if elected to office.

A copy of the Candidate Qualification Form is available on the Credit Union's website at psecreditunionja.com or from any office of PSE Credit Union limited.

4. A member seeking to hold office shall be disqualified if he/she: -
 - (a) fails to satisfy the Registrar and/or the Supervisor that he/she is a fit and proper person to perform corporate management functions;
 - (b) has a dormant or inactive account for six months and over;
 - (c) is a member for less than six (6) months;
 - (d) is delinquent at the time of the Nominations Committee's deliberations.

Submission of nomination by petition should be placed in a SEALED envelope marked: "CONFIDENTIAL: Petition to Nominations Committee PSE Co-operative Credit Union Limited" and submitted to any office of PSE Co-operative Credit Union Limited or send email to Nominations@psecreditunionja.com.

Closing date for receiving nominations by petition is **June 24, 2020**. The Nominations Committee will submit the final nominations to the Secretary of the Credit Union who within 30 days of the Annual General Meeting, will notify the members in writing or by electronic mail, of the nominations received. The notice will also be posted in a conspicuous place in the Credit Union's offices.

N.B. NO NOMINATION WILL BE TAKEN FROM THE FLOOR AT THE ANNUAL GENERAL MEETING.

Dated this 18th day of May 2020
