NPCJ Department of Weapons and Tactical Training Standard Operating Procedures for the Management of the NPCJ Armoury

JCF/NPCJ-DWTT/PR/SFs/0027/2022

1.0 Introduction

The NPCJ Armoury is the sole custodian of all weapons and ammunition at the National Police College of Jamaica. Its main responsibility is to store and provide firearms and ammunition used to train members of the Jamaica Constabulary Force. The NPCJ armoury also holds for safe keeping arms and ammunition for other government entities for training purposes. Secondly the Armoury issues firearms and ammunition to the members of NPCJ for duty and keep and carry.

2.0 Purpose

The purpose of this SOP is to ensure the safe storage, management and proper accountability of arms and ammunition stored at the NPCJ Armoury for training purposes or for any other purpose as directed by the Commissioner of Police.

3.0 Scope

This SOP applies to all sworn and unsworn members of the Jamaica Constabulary Force and other entities that falls under the Ministry of National Security.

4.0 Definition

Firearm and ammunition movement form - This form is used to record items being drawn from the armoury.

5.0 Responsibilities

- 5.1 The Director of NPCJ has overall responsibilities for the management and running of the NPCJ Armoury and is accountable to the Commissioner of Police
- 5.2 The Commanding Officer in charge of the Department of Weapons and Tactical Training is the accountable officer to the Director of NPCJ
- 5.3 The Sub-Officer in charge of the NPCJ Armoury is responsible for the day to day operation and smooth functioning of the Armoury

6.0 Standard Operating Procedures and guidelines

- 6.1 Only members of the armoury's staff, the officer in charge and the sub-office in charge of the NPCJ Armoury are authorized to enter without permission.
- 6.2 All request from the armoury must be made using the firearm and ammunition movement form.

NPCJ Department of Weapons and Tactical Training Standard Operating Procedures for the Management of the NPCJ Armoury

JCF/NPCJ-DWTT/PR/SFs/0027/2022

- 6.3 Only persons at the rank of sergeant and above are authorized to request or sign for items requested from the armoury.
- 6.4 Items drawn are the responsibility of the person(s) who have signed for them and are accountable for said items on completion of training.
- 6.5 Persons receiving items from NPCJ armoury must check and confirm that the items in their possession are correct in quality and quantity before leaving the armoury.
- 6.6 Items drawn may be returned by any member of the department under instruction of the person who requested the items. However, the person who signs for the item is ultimately responsible to ensure accountability for the items.
- 6.7 Items returned to the armoury must be accompanied by firearm and ammunition movement form.
- 6.8 Ammunition returned to the armoury must be of the same brand and calibre that was issued.
- 6.9 Weapons returned must bear the same serial number, make and model as was issued.
- 6.10 Accessories returned to the armoury must be that which was issued.
- 6.11 Members should not change or alter any part on any firearm issued from the NPCJ armoury.
- 6.12 All defective firearms and accessories should be correctly labelled, and defects noted before returned to the armoury.
- 6.13 Upon receipt of defective weapon, defect will be verified by the armoury staff. The weapon is then entered into the defective weapons register and taken out of circulation for repairs.
- 6.14 All defective weapons are placed on a list to be sent to Headquarters Armoury for repair or replacement.
- 6.15 Where weapons are brought to Headquarters armoury for repairs a receipt bearing weapon serial number, model and make is issued to the member handing over the weapon for repairs.
- 6.16 All private firearms left for safekeeping should be accompanied by the owner's firearm license and a protective case. Weapons left for safe keeping are tagged and stored separately from government properties.
- 6.17 There should be no loading and unloading of firearms within the armoury.
- 6.18 All firearms are to be properly cleaned before being returned to the armoury.
- 6.19 All ammunition (including defectives) being returned to the armoury must be accounted for.
- 6.20 Parking of vehicles in front of the NPCJ Armoury is prohibited.
- 6.21 No loitering is allowed within the vicinity of the NPCJ Armoury
- 6.22 The keys to the armoury are to be handed over at the FRPT Guardroom, upon conclusion of the day's activities for safekeeping where it is stored in a strong pan separate from all other items at the guardroom.

- 6.23 The keys to the armoury are to be handed over or picked up by the Sub- officer in charge or the armoury staff.
- 6.24 The cannibalizing of firearms or accessories is strictly prohibited (this means that no accessories or parts of any weapon should be used to replace or repair another weapon).
- 6.25 All keep and carry firearms, ammunition and accessories issued from the NPCJ Armoury are subjected to a monthly inspection at the NPCJ armoury and the reception area at FRPT. This must be conducted by a member of the armoury staff.
- 6.26 To account for all arms and ammunition weekly reports are submitted which reflect number of ammunitions drawn, used and returned.
- 6.27 Quarterly audits will be done to ensure accountability and transparency for government properties as also preparation for annual inspections from IPROB.
