1.0 Introduction

A significant component of daily policing is documenting and generating reports. Individuals and organizations, such as insurance companies and legal representatives, may request these reports for various reasons. Police reports provide customers with information about crimes, incidents, and actions to indicate the integrity and credibility of police interventions.

This Standard Operating Procedure on the Generation of Police Reports represents the Jamaica Constabulary Force's (JCF) commitment to efficient service delivery and improving customer satisfaction by producing reports that contain pertinent information relating to the specific request within the shortest possible time.

2.0 Purpose

This Standard Operating Procedure (SOP) sets guidelines for generating and issuing Police Reports on incidents or investigations under the police's purview.

3.0 Scope

These Standard Operating Procedures apply to all sworn and unsworn members of the JCF and its auxiliary and cover the preparation and issuance of Police Reports.

4.0 Abbreviations and Acronyms

ARB	Accident Report Booklet
PICA	Passport Immigration and Citizenship Agency
SRMS	Station Records Management System
TAJ	Tax Administration of Jamaica

5.0 Definitions

For this Standard Operating Procedure, the following definitions shall be adopted:

5.1 Authorized Officers

an officer not below the rank of an Assistant Superintendent of Police who the Commanding Officer appoints for the approval of all prepared Police Reports requested by customers.

5.2 Certifying Sub-Officer

the Station Manager/Supervisor or a member designated by the Station Manager/Supervisor for the certification of Police Reports.

5.3 Police Report

A document that provides a summary of information obtained or garnered by the police through a report, enquiry or investigation regarding an incident or crime which has come under the purview of the police.

6.0 Responsibilities

The following summarizes key responsibilities:

- 6.1 **The Divisional Commanders** are responsible for appointing Authorized Officers to approve all police reports requested and prepared within their zone of operation.
- 6.2 **Authorized Officers** are responsible for:
 - 6.2.1 approving police reports requested within their area of operation before they are delivered to the customer;
 - 6.2.2 ensuring that enquiries and investigations are conducted thoroughly and promptly before the generation of these reports;
 - 6.2.3 reviewing the relevant documents submitted by the customer to ensure that the approved police report meets the JCF standards.
 - 6.2.4 ensuring that a **Police Report Requisition Register (see Appendix1)** is maintained; and
 - 6.2.5 causing a summary of all reports prepared, approved and delivered to be submitted to the Divisional Headquarters.

7.0 Roles and Functions

- 7.1 **The Certifying Sub-Officer** will ensure that all Police Reports prepared are vetted and certified before being sent for approval.
- 7.2 **Station Supervisors** are required to ensure that:
 - 7.2.1 customers are informed of the procedure for obtaining a police report;
 - 7.2.2 a comprehensive investigation is conducted before the preparation of a Police Report;
 - 7.2.3 all requests and the handing over of reports are recorded in the relevant register;
 - 7.2.4 where a report is unable to be prepared, cause the customer to be informed as soon as possible;
 - 7.2.5 adequate required forms are available for use by the staff and
 - 7.2.6 applications for traffic accident/incident reports are sent to the traffic department to be prepared.
- 7.3 **Investigating Officers** are required to:
 - 7.3.1 conduct investigation and/or enquiries for the preparation of Police Reports;
 - 7.3.2 record statements or reports to assist in the investigation for the timely completion and approval of police reports;

8.0 Standard Operating Procedures

The following outlines the procedure for the Generation of Police Reports:

- 8.1 **Application for Police Reports:**
 - 8.1.1 The following documents should accompany applications to obtain a Police Report:

JCF Standard Operating Procedures on the Generation of Police Report

- a. JCF Customer Receipt (CR 10);
- b. Government-issued Identification;
- c. receipt from the TAJ for proof of payment for the requisite fee;
- d. the completed **JCF Application for Police Report Form (see Appendix 2)** that the customer signs;
- e. Where a third party makes an application on behalf of a customer, a letter from the customer signed and witnessed by a Justice of the Peace (JP) must be submitted;
- f. where applicable, a letter from an insurance company or a customer's legal representative;

8.1.2 Applications for a Police Report should be submitted to the police no less than **twenty-four (24) hours** after a crime, incident, or accident is reported to the police;

8.1.3 The police who receive the application must outline to the customer the procedures for preparing police reports;

8.1.4 Police Reports must be prepared **within fourteen (14) working days** after the application is made, provided the customer submits all relevant documentation;

8.1.5 If a report cannot be prepared after the application has been made, the customer must be informed as soon as practicable;

8.1.6 The relevant columns of the **Police Report Requisition Register** must be completed;

8.2 Preparation of Police Reports

The police may prepare a police report for lost, damaged or stolen documents or any other circumstances that require a police report. Police reports, except for motor vehicle accidents/incidents, must be prepared on the **JCF Police Report Form (see Appendix 3)**. The following will apply for the generation of these reports:

8.2.1 Lost, stolen or damaged Passport

- a. Advise the customer to attend the Passport Immigration and Citizenship Agency (PICA) and make a report. They will be issued a completed Lost Passport Report Form to be taken to the Police.
- b. Police reports must be prepared and addressed to PICA and the relevant embassies/high commission(s).

8.2.2 Lost, stolen or damaged Motor Vehicle Documents.

A police report may be prepared for lost, stolen or damaged vehicle documents such as Registration Certificates, Certificates of Fitness and Motor Vehicle Titles. The following required documents listed in **section 8.1.1**, along with the original document(s) (where available), must be submitted to the police before the report

is prepared.

8.2.3 **Motor Vehicle Accident/Incident Police Report**

For the preparation of a police report in relation to a motor vehicle accident/incident:

- a. A requisition letter (the insurance company, Attorney-at-law or the customer).
- b. The police report must be prepared on the *JCF Motor Vehicle Accident/Incident Report Form* (See Appendix 4).

8.2.4 **Crimes or other incidents**

A police report may be prepared for crimes or incidents like fire or sudden death. Where these reports are required, the following should be adhered to:

- a. **Section 8.1.1** lists the required documents, and the original document(s), where applicable, must be submitted to the police.
- b. Where necessary, the case file containing statements and other relevant documentation of the crime/incident must be consulted.

NB: Where original documents are available, these must be submitted to the police. A Police report shall NOT be prepared without all the required documentation.

8.3 **Certification of Police Reports**

On completion of the preparation of a Police Report:

- 8.3.1 The customer's application and all other documents submitted must be reviewed.
- 8.3.2 ensure that the information contained therein is prepared in accordance with the case file for the matter that was reported.
- 8.3.3 The Certifying Sub-Officer will sign and date the report.

NB: All police reports must be certified by a Sub-Officer within the Division who is not the investigator.

8.4 **Approval of Police Reports**

- 8.4.1 Police reports will be authorized before being delivered to the customers.
- 8.4.2 On completion of the preparation of police reports, it must be reviewed along with the documents submitted by the customer to ensure that they meet the standards of the JCF.

8.5 **Delivery of Reports**

The following criteria are required to meet JCF standards for the issuance of Police Reports:

- 8.5.1 a valid Government issued identification;
- 8.5.2 a letter signed by the customer and witnessed by a J.P. approving a third party to collect the report on behalf of the customer, where applicable;
- 8.5.3 a signature or mark of the customer must be affixed to the prescribed column of the Police Report Requisition Register.
