1.0 Purpose

This information is to give a clear, brief and precise understanding of the processes to follow for submitting retiring benefits (Pension) for employees who will attain the mandatory age of retirement (currently 65) between 9-12 months prior to being retired.

2.0 Scope

The Director Human Resource Management, is to ensure that steps are taken to have all employees who will attain the mandatory age of retirement (currently 60/65) is processed for retiring benefits 9-12 months prior to being retired, and that the relevant supporting documents are uploaded to the PEPAS to facilitate the efficient processing of the application.

3.0 Definitions

- 4.0. PEPAS** PEPAS is an online pension administration system designed to address some of the key challenges of pension administration in Jamaica. PEPAS allows for: public servants, after a complete life of service, to access their service record, get timely processing of their applications for pension benefits and the pension administration unit to better streamline their process of managing and administering pension benefits. PEPAS also supports the processing of pension benefit claims and payouts.
