1.0 Introduction

In an era marked by rapid technological advancement and increasing demands for effective law enforcement, the Jamaica Constabulary Force (JCF) stands at the forefront of safeguarding the nation's security. Our mission to serve, protect and reassure the people of Jamaica, requires not just valor and dedication but also the strategic and judicious use of resources. The dynamic landscape of public procurement within which the JCF operates is guided by stringent legislation and ethical mandates, necessitating a policy that is both robust and responsive to the complex needs of modern policing.

2.0 Purpose

The purpose of this policy and standard operating procedure is to:

- a. Ensure that procurement activities are conducted in a fair, transparent and non-discriminatory manner.
- b. Promote efficiency and effectiveness within the JCF procurement processes.
- c. Achieve the best value for money and the highest level of service in public procurement.
- d. Encourage competition and ensure equal treatment of all suppliers.
- e. Implement and uphold the principles and requirements of the Public Procurement Act and associated regulations.

3.0 Scope

This Policy and Standard Operating Procedures for Public Procurement Management applies to all sworn and unsworn members of the JCF and its auxiliary. It covers the JCF’s position guided by legislation on the agreed policy and standard operating procedures for the procurement of goods, services and works across all portfolio/branch/division/location.

- 6.3.3 Provide oversight and directive to ensure that strategic and operational plans are in alignment with approved budget programs
- 6.3.4 Support the JCF's regulatory compliance with GOJ fiscal rules and other applicable guidelines

6.4 Director, Public Procurement Unit shall be responsible to:

- 6.4.1 Directly manage the public procurement process within the JCF
- 6.4.2 Conduct enterprise-wide needs analysis to determine aggregate demand.
- 6.4.3 Conduct market research for cost estimation and detailed cost analysis
- 6.4.4 Develop the JCF Procurement Plan in alignment and adherence with GOJ Budget Call and JCF strategic priorities.

7.0 Policy Statement

The JCF is committed to ensuring that the procurement of goods, services and works are grounded in the principles of integrity, transparency, fairness and best value for money. It is therefore the policy that:

- 7.1 Procurement activities shall be in adherence with all laws, regulations and related procurement guidelines of Jamaica;
- 7.2 Systems are designed and implemented to effectively monitor, measure and evaluate procurement activities; and
- 7.3 Performance reports are submitted to the relevant legislative bodies and other key stakeholders

8.0 Standard Operating Procedures

Procurement activities within the JCF will be managed by the following procedures:

8.1 Public Procurement Unit

The Head of Procuring Entity shall establish a specialist procurement unit to manage and execute all procurement proceedings on behalf of the JCF

8.1.1 The function of the Procurement Unit shall be to:

- i. Contribute to the planning of the public procurement initiative, considering the procurement needs and the procurement plan for each financial year;
- ii. Prepare and submit annual Procurement Plan
- iii. Make recommendations through the Director, Corporate and Special Services to the Commissioner of Police for the applicable procurement method to be utilized in respect to particular public procurement;
- iv. Monitor the implementation of procurement contracts where appropriate;
- v. Prepare procurement reports or any other report required relative to public procurement activities managed and conducted by the JCF;
- vi. Undertake efficient solicitation and evaluation of quotations and tenders; and
- vii. Advise on effective purchasing practices.

8.2 Procurement Planning

8.2.1 At the start of each strategic/budget planning cycle (usually in September), an internal memorandum shall be issued to all Commanders/Programme Managers requesting operational plans to include associated resource requirements specifications for the ensuing fiscal year.

8.2.2 To determine the cost of resources (goods, services and works) required for the administration and operation of the JCF in a given financial year, the Corporate and Special Services Branch in collaboration with the Planning, Research and Development Branch (PRDB) shall:

- i. Strategically review all Operational Plans to determine alignment with budgetary allocation
- ii. Conduct enterprise-wide needs analysis to determine aggregate demand.
- iii. Conduct market research for cost estimation and detailed cost analysis, and
- iv. Adjust estimates in consultation with the JCF's Finance and Accounts Branch.

8.2.3 Upon commencement of the planning cycle, preliminary budget discussions shall be had with the relevant internal stakeholders to ensure good synergy and alignment of policing plans with the Budget Ceiling.

8.2.4 A Procurement Plan shall be developed and approved the Commissioner of Police
