- 9.3.3.6 The Recruiting Officers at Area Centres are responsible for completing the Antecedent Enquiry -Applicants (Appendix E) for submission through the ACP Area office to the relevant Commanding Officers . This is usually referred to as the Main File. If the applicant has previously resided, worked, or attended school(s) in any other parish for over one (1) year, a request form along with a photograph of the applicant is sent to the Commanding Officer(s) of the parish (es) of the stated address(es), for discreet investigations to be conducted. These files are referred to as Half Files (Appendix G).
- 9.3.3.8 The remainder of the applicant's file containing one application form with a photograph and the applicant's answer booklet remains in the office. Recruiting officers must make the notation on the file to show where Main and Half (if any) files were sent.
- 9.3.3.9 Recruiting officers should pay critical attention to ensure that antecedent reports are returned in the stipulated time frame and do timely and consistent follow-up.
- 9.3.3.10 A completed main file should contain (a) the completed antecedent form and recommendation or otherwise, signed by both the investigator and Commanding Officer or his/her designate, and (b) original documents to include, including application form,

photograph, recommendations, copy of academic qualifications, other certificates, and a Confidential Report form. Concerning the Half file, a written report of findings from the Investigator and a cover letter from the Commanding Officer or designate making recommendations or otherwise is sufficient.

9.3.3.11 On receipt of all aspects of antecedent reports on each applicant, the Recruiting Officer must review the report(s) to determine if an applicant was or was not recommended by the investigator(s) and Commanding Officer(s). The report(s) must be attached to the remainder of the respective file (in the office). As soon as possible thereafter a list of recommended applicants is to be scheduled and called for the next phase which is a Panel Interview. The information captured during the antecedent investigations is reflected on the Confidential Antecedent Report Form (Appendix F).

#### **9.3.4 PHASE 4: Final Interview Panel**

9.3.4.1 The panel interview is conducted by a team of persons usually three or four who interview the applicant simultaneously and then combine their scores into a final panel score. Interviewers will assess candidates' oral communication skills, mental agility, general knowledge, and appreciation of the role of the police in society.

9.3.4.2 Panels are constituted both at the Area Centres and, at the Training Branch in the case of the Corporate Area Centre: These panels will comprise:

  - ii. Cause applicants to be informed of interview dates, time and place
  - iii. Cause a list of applicants scheduled for interview to be compiled
  - iv. Cause files for the interview to be packaged

9.3.4.3 At the interview, the panelists will review each applicant's file before each being interviewed and should ask probing questions to determine the veracity of some information written/presented by the applicant.

9.3.4.4 Panelists will probe details of information on the application form, seek verification, and probe inconsistencies between antecedent findings and application data. They should

question failure to close gaps in life such as periods of absence from school, gaps between employment, residence abroad, and failure to complete academic programs.

9.3.4.5 They should seek explanations for multiple addresses, frequent changes in telephone numbers and email addresses, etc. Where necessary, files should be updated with new information presented by the applicant.

9.3.4.6 Panelists will grade applicants using the prescribed Recruitment and Selection Procedures Panel Interview Grade Sheet (Appendix H), which must be completed, showing (a) the scores obtained by the applicant, (b) relevant comments on the applicant's overall presentation of self and his or her readiness for training, and (c) names and signatures of members of the panel. The passing grade is 60% and this grade sheet must be attached to the applicant's file.

9.3.4.7 Applicants who complete the interviews must be so informed. All documents up to this stage of the recruiting process Must be accurately updated on the Recruiting Management Information System (RMIS) and checked off on the Jamaica Constabulary Force Applicant's File Accountability Checklist (Appendix B).

9.3.4.8 The Recruiting Officer will send the file to the Central Recruiting Office for a continuation of the selection process. The applicants who failed the interview will also be advised. The chairman of the panel has the autonomy, with the consent of the other members, to advise that a particular applicant(s) re-do the interview within a specified period rather than redo the entire selection process.

9.3.4.9 This period is determined based on the prevailing conditions at the time of the interview (eg. cold, hot, and humid conditions, the applicant was not feeling well but attended nonetheless etc.) as well as the quality of the applicant's interaction (eg. bright but nervous, clean, neat, has a good profile and good antecedent status).

9.3.4.10 These observations will be captured on an Interview and an Assessment form.

9.3.4.11 On completion of the interview process, the files of all successful applicants must be forwarded through the relevant Area Office to the Central Recruiting Office for further processing.

**NB Applicants should be advised by the recruiting officer of the outcome of their interview.**

### **9.3.5 PHASE 5: Physical Agility Tests**

9.3.5.1 The Central Recruiting Office has the responsibility to schedule and coordinate the completion of the physical agility examination. This activity is conducted at the National Police College of Jamaica by the members of the Physical Training Instructional Team. Candidates will attend and engage in physical tests to ascertain the level of their physical fitness as it relates to coordination and general agility. All activities participated in by each applicant is recorded on the Physical Assessment Form (Appendix I).

9.3.5.2 The passing grade is 60%. Applicants are to be warned to dress in the appropriate clothing for this activity. Any other instruction deemed relevant at the time should be communicated to the applicant. The attained score will be captured on a Physical

Assessment Form. An Indemnity Form (Appendix J) MUST be completed by all Force Applicants participating in the physical assessment.

### **9.3.6 PHASE 6: Security Checks - Fingerprint checks, NIB Clearance, Polygraph and Narcotics Clearance**

- 9.3.6.1 Applicants' fingerprints are taken at the Central Recruiting Office, usually on the day they attend physical tests, or on successful completion of an interview at the Area level Elimination Fingerprints Form (Appendix K) .
- 9.3.6.2 These are sent to the Criminal Records Office to determine if a criminal record exists for the applicant. A 'hit' means that the applicant has a criminal record and may be eliminated from the selection process. The use of the MorphorapID (electronic CRO database) will be administered under the Divisional Recruiting Initiatives or the Standard Recruiting process. This is to eliminate any applicant who may have a fingerprint record.
- 9.3.6.3 Profiles which include applicants' names, ages, address(es), family names and addresses, associates, and references are generated and sent to the National Intelligence Bureau (NIB) and Transnational Crimes and Narcotics Division (TCND) and are checked against local and international intelligence and criminal databases. All negative responses are explored through field surveys by the Intelligence officers. Applicants who are involved in criminal, illegal or unlawful activities or against whom there are outstanding investigations are eliminated from the process.
- 9.3.6.4 Applicants are subjected to further pre-employment testing using the polygraph test. Where the analyst reports a concern, the applicant is eliminated from the recruiting process. This result may be subjected to a review approximately twelve months after the date of examination. The examiner MAY recommend further interview or non-consideration for employment.

### **9.3.7 PHASE 7: Medical Examination**

**9.3.7.1** Applicants will undergo comprehensive medical examinations. This includes:

- 9.3.7.1.1** Blood tests are done at the Blood Bank. Applicants are scheduled and invited to the Blood Bank, where a serology test is conducted (HTLV, VDRL, HIV, Hepatitis B, and C) and the results are communicated to the Medical Doctor at the Medical Services Branch within 3-4 weeks. The results are then communicated to the Department of Force Recruiting.
- 9.3.7.1.2** Medical Examinations are scheduled and conducted by Medical Doctors at the Medical Services Branch. This includes Vision acuity tests (Eye tests), blood pressure tests, urine analysis, physical medical examinations, drug tests, pregnancy tests, and X-rays where necessary.

**NB. Medical examinations are done based on blood results. Applicants are required to provide a Dental report, an Updated Immunization card, and a CBC result (Complete Blood Count).**

### **9.3.8 PHASE 8: Selection Panel**

- 9.3.8.1 A Selection Panel comprising the Superintendent of Police in charge of Recruiting his/her designate, a designate from the Human Resource Department of the Jamaica Constabulary Force, a designate from the Chaplaincy Unit, and a Justice of the Peace will be established to review files of applicants who complete the selection activities and make final selection as to the suitability of applicants for enlistment in the JCF.
- 9.3.8.2 A quorum shall consist of three persons to include the Superintendent of Police or his/her designate.
- 9.3.8.3 The Sub-Officer i/c Central Recruiting has the responsibility to review all files to ensure all aspects of the selection process are completed and cause the selected files to be updated on the Records Management Information System (RMIS).
- 9.3.8.4 After the reviewing of files by the Selection Panel, a pre-determined number of applicants are selected who will form the intake for the batch of recruits to commence training at any training wing of the National Police College.

### **10.0 COMPLETION OF THE RECRUITING PROCESS**

- 10.1 The Central Office through the SP i/c Recruiting will schedule an Information Forum for all applicants who are likely to form the batch. Here they are addressed by a cross-section of police professionals. They are given information pertinent to training at the Academy including salary, trainees' obligations, responsibilities, and expectations, and are generally allowed to determine if the JCF is the career choice they wish to make.
- 10.2 On the selection of the batch for intake, the Central Recruiting office will then communicate to the respective applicants, advising of their selection, the date and time of training, date and time of their arrival at the training wing of the National Police College of Jamaica. Joining instructions as well as items of clothing and other articles to be taken by applicants into training will be communicated with the applicants via email and telephone.

### **11.0 ENLISTMENT ACTIVITIES**

- 11.1 The Central Recruiting Office has responsibilities to ensure that all documents of the Force applicant (Birth certificate, Academic qualifications, TRN, NIS, Valid picture ID, 4 passport-sized pictures in professional wear) are produced. These will be provided for documentation.
- 11.2 At the documentation session, all Force applicants will complete the Attestation Sheet (Appendix L), Jamaica Constabulary Force (JCF) Pre-employment Statement (Appendix M), Jamaica Constabulary Force (JCF) Employment Waiver (Appendix N), and Jamaica Constabulary Force (JCF) Questionnaire for Recruits (Appendix O), and a Medical History Sheet (Appendix P).
- 11.3 The Medical History Booklet and Attestation sheets are completed and distributed to the Medical Service Branch to be administered at the time of taking the Oath of Office to become enlisted in the Jamaica Constabulary Force.

11.4 A list of all enlisted members is sent to the Commissioner's Office Establishment Department for promulgation vide Force Orders.

- 12.1.2 In keeping with the JCF's Corporate Use of Social Media Policy social media pages are established to provide prompt, effective and efficient responses to Force Applicants and other partners. Applicants are informed of their progress via emails provided in their online application.
- 12.1.3 The Department of Force Recruiting will communicate throughout ALL stages of the recruiting process to Force applicants, telephonically, electronically, and via social media platforms. ### **12.2 Portable Music Devices**

- 12.2.1 The use of portable music devices and earbuds (iPods, MP3 players, Walkman, and other devices) is prohibited during work hours and should be restricted to breaks and lunch hours.

### **12.3 Records Management System**

- 12.3.1 All applications since 2009 are entered into an electronic database established to log and track the recruiting process for each applicant. The Records Management Information System (RMIS) is an electronic records management system designed to capture completed applications and recruiting activities being awaited and completed by the applicants.
- 12.3.2 The RMIS allows the applicant to view his/her application in its initial stage. The applicant is unable to effect any change to the application after submission. Where there are any inaccuracies contained in the application or any incomplete submissions, the recruiting officer will respond to the applicant.
- 12.3.3 Applicants are sent emails highlighting these shortcomings. The applicant is granted an opportunity to effect the changes.
- 12.3.4 Records for applicants are also maintained in paper-based format and are kept in a physical location for storage until all activities (phases 1 to 8) are completed and applicants enlisted. Enlisted files are the responsibilities of the Student's Registrar.

12.3.5 Other files are kept in storage. The files in storage will comprise Six Categories: 1. Medical Concern 2. No Longer Interested 3. Polygraph Concerns 4. Aged 5. Multiple Failures at Physical Assessment 6. Put On Hold. Files in categories 1 to 5 are sent separation emails, advising them of their status in the recruiting process.

12.3.6 Security Assurance: All members of staff at the Department of Force Recruiting are issued unique usernames specific to the user to access the RMIS.

12.3.7 The Sub-Officer in charge of Central Recruiting and the Recruiting Officers island-wide have limited access to the data. They can input the data. All activities on the RMIS can be monitored by the Sub-Officer in Charge Recruiting. Access to certain levels of information on the RMIS is limited at the Area Level.

#### **12.4 Non-Gender Effect on Recruiting**
