1. INTRODUCTION

The appointment of external examiners is essential to ensure that the National Police College of Jamaica's academic programmes are of the highest quality and meet recognised national and international standards. This policy outlines the procedures for the appointment, roles and responsibilities of external examiners for the College's academic programmes. The College is committed to ensuring that its policies and procedures remain relevant and effective and will review this policy regularly to ensure that it continues to meet its objectives.

2. PURPOSE

The purpose of this policy is to outline the procedures for the appointment, role, and responsibilities of external examiners for the College's academic programmes.

3. SCOPE

This policy applies to all academic programmes offered by the National Police College of Jamaica of Jamaica.

4. POLICY STATEMENT

The National Police College of Jamaica recognizes the importance of ensuring that its academic programmes are of the highest quality and meet recognised national and international standards. To this end, the College engages external examiners who have expertise in the relevant fields and who can provide an independent assessment of the quality and standards of the College's academic programmes.

5. RESPONSIBILITIES

Assistant Commissioner of Police/Director of the College:

- a. Ensure that the external examiner policy and procedures are followed diligently across all academic programmes within the college.
- b. Address any deviations or non-compliance with the policy.
- c. Engage with external examiners to understand their experiences and perspectives on the college's academic programmes.
- d. Use external examiners' insights to guide strategic decisions for the college's academic development.
- e. Hold programme coordinators and heads of faculty accountable for the effective engagement and collaboration with external examiners.
- f. Review the overall effectiveness of the external examiner process and make necessary adjustments to the policy and procedures.
- g. Ensure that external examiners are treated professionally and their contributions are valued.
- h. Facilitate communication between external examiners and relevant college departments for smooth examination processes.

Head of Faculty:

- a. Engage with external examiners to discuss the programme's academic content, assessment methods, and expected outcomes.
- b. Encourage a constructive dialogue with external examiners to enhance the quality of the programme.
- c. Collaborate with external examiners to gather feedback on assessments and teaching methods.
- d. Ensure that external examiners' feedback is used to enhance the academic quality and standards of the programme.
- e. Monitor and evaluate the effectiveness of changes made based on external examiners' feedback.
- f. Collaborate with the programme coordinator and external examiners to ensure smooth assessment processes.
- g. Work with the Academic Board/Director of the college and Dean of Academic Studies to align programme improvements with the college's strategic goals.

Programme Coordinator:

- a. Serve as the primary point of contact between external examiners and the academic programme.
- b. Facilitate communication and coordination between external examiners and faculty members.
- c. Provide relevant programme information, curriculum, and assessment methods to external examiners.
- d. Ensure external examiners have access to necessary resources to conduct their reviews effectively.
- e. Coordinate the assessment process in collaboration with external examiners, ensuring timely and effective evaluation of examinations and assessments.
- f. Address any queries or concerns raised by external examiners regarding assessments.
- g. Ensure external examiners are briefed on the programme's objectives, assessment criteria, and expectations.
- h. Collaborate with the head of faculty to incorporate external examiners' feedback into programme improvements.

External Examiners:

- a. External examiners shall act as secondary examiners to review and evaluate the College's academic examinations to ensure that they meet recognised national and international standards.
- b. External examiners shall assess the quality assessment methods used by the College.
- c. External examiners shall review and provide feedback on examination papers, coursework assignments, and any other assessments used by the College.
- d. External examiners shall attend the College's academic board meetings and provide a report on their findings.
- e. External examiners shall ensure that they are familiar with the academic programme they are examining.

- f. External examiners shall provide a written report (see Appendix 2) on their findings to the College.
- g. External examiners shall provide recommendations for improvement, if necessary.
- h. External examiners shall maintain confidentiality and not disclose any confidential information or assessment materials to any unauthorized persons.
- i. External examiners shall demonstrate awareness and competence in the College's policies, procedures, and regulations.
- j. External examiners shall comply with the College's policies, procedures, and regulations.

Assistant Registrar -Examinations

- a. Maintain a comprehensive record of all external examiner engagements, including their contact information, areas of expertise, and evaluation outcomes (see Appendix 1).
- b. Address any logistical or administrative concerns raised by external examiners during the examination period.
- c. Coordinate the logistical aspects of the examination process, such as venue booking, examination materials, and distribution of examination papers to external examiners.
- d. Ensure that external examiners receive necessary guidelines and instructions for the examination process.
- e. Compile reports on the performance of external examiners, including their feedback, recommendations, and any observed trends or recurring issues.
- f. Provide data and insights to the dean of academic studies for continuous improvement of the external examiner policy and procedures.
- g. Ensure compliance with established policies and procedures related to external examinations.
- h. Communicate any changes or updates to the external examiner policy and procedures to relevant stakeholders, including external examiners.
- i. Facilitate the smooth conduct of examinations by ensuring all necessary resources and support are available to external examiners.
- j. Collaborate with the dean of academic studies to assess the effectiveness of the external examiner policy and propose enhancements.

Dean of Academic Studies:

- a. Ensure that external examiners have access to all necessary information, including programme objectives, assessment criteria, and relevant academic materials.
- b. Monitor the effectiveness of external examiner engagement and provide guidance to improve their contributions to programme quality.
- c. Ensure that the external examiner policy and procedures are implemented effectively across all academic programmes within the college.
- d. Oversee compliance with the policy and recommend updates or modifications as needed.
- e. Document the feedback and recommendations provided by external examiners for each programme.
- f. Collaborate with programme coordinators and faculty heads to identify suitable external examiners based on expertise and programme requirements.

6. STANDARD OPERATING PROCEDURES

1. Appointment of External Examiners:

- a. The College shall appoint external examiners for each academic programme offered by the College.
- b. External examiners shall be appointed based on their expertise, experience, and qualifications in the relevant field.
- c. The College shall ensure that the appointed external examiners are independent and not affiliated with the College in any way.
- d. The College shall ensure that the appointed external examiners are willing and able to perform the duties required of them.

2. Term of Appointment:

- a. The term of appointment for external examiners shall be three years.
- b. The College may reappoint external examiners for a further term, subject to their satisfactory performance and willingness to continue in the role.

3. Remuneration and Expenses:

- a. External examiners shall receive remuneration and expenses for their services in accordance with the College's policies and procedures.
- b. The College shall cover the cost of travel, accommodation, and any other expenses incurred by the external examiners in carrying out their duties.

4. Review of Policy:

- a. This policy shall be reviewed every three years to ensure that it remains relevant and effective.
- b. Any necessary amendments to the policy shall be made in accordance with the College's policies and procedures.
