1. Introduction

This Standard Operating Procedure (SOP) establishes a systematic process for the receipt, verification, and intake of members' main files in the Student Registry. It ensures thoroughness and accuracy to maintain the integrity and confidentiality of important documents. By following this SOP, the Registry aims to efficiently manage the intake process, minimize errors, and comply with data protection regulations.

2. Purpose

This SOP outlines the procedures for the receipt, verification, and intake of members' main files, and accompanying documents including JCF questionnaire, birth certificates, medical history sheet, and attestation sheet from the Department of Force Recruitment (DFR). The goal is to combine thoroughness with timeliness, minimizing acceptance of incomplete and mismatched documents.

3. Scope

This SOP applies to all staff involved in the receipt and intake process of members' files within the Student Registry.

4. Abbreviation and Acronyms

4.1. DFR – Department of Force Recruitment

4.2. NIS – National Insurance Scheme

4.3. TRN – Tax Registration Number

5. Definitions

5.1. Main file - The Main File refers to the comprehensive record maintained for each member, containing all essential documents related to their personal and professional information. This includes, but is not limited to, birth certificates, medical history sheets, attestation sheets, and any other relevant documentation required for their service and administrative purposes.

5.2. Medical History sheet - The Medical History Sheet is a document that records a member's medical background. It includes details about their past and current health conditions, medical treatments received, allergies, and other pertinent medical information. This sheet must be completed by a qualified medical professional and is crucial for ensuring the member's fitness for service and for managing any medical needs.

5.3. Attestation - The Attestation Sheet is a legal document that indicates a member's fitness and willingness to serve as a police officer for a term of years. It is signed by the member, a doctor who conducts a medical examination, a justice of the peace who witnesses the member's swearing of the JCF Oath of Service, and the enlisting officer. This document serves as a formal declaration.

6. Responsibilities

- 6.1. Receiving Officer: Responsible for auctioning this SOP, and specifically receiving, verifying, and documenting the intake of members' files.
- 6.2. Registry Staff: Assist in the verification and intake process as needed.
- 6.3. Department Head: Oversee the entire process and ensure compliance with this SOP.

7. Standard Operating Procedure

7.1. Preparation

- 7.1.1. The receiving officer should inform relevant staff members about the expected arrival of files.
- 7.1.2. Staff shall set up a clean and organized workspace for the intake process.
- 7.1.3. A checklist shall be prepared in respect of each member's file to ensure all required documents are present. See sample checklist in Appendix 1

7.2. Receipt of Files

- 7.2.1. Initial Inspection - upon receiving the bundle of files, conduct an initial inspection to ensure bundle appears intact.
- 7.2.2. Cover List Verification - obtain the cover list of members' names accompanying the bundle of files.
- 7.2.3. Document Verification -

7.2.3.1. Check off Against Cover List:

- a. Take one file, or one medical history sheet at a time and match it against the cover list.
- b. Ensure the file or sheet corresponds to the correct member on the list.

 - x. Copy of NIS card
 - xi. Copy of TRN card
 - xii. Panel Interview Score sheet
 - xiii. Pre-interview Questionnaire
 - xiv. Physical Assessment form

- xv. Indemnity form
- xvi. Finger print sheet
- xvii. Medical Clearance sheet

- b. Ensure each Medical History Sheet contains the following documents
 - i. Attestation Sheets (signed by the member, doctor, Justice of the Peace, and Enlisting Officer*)
 - ii. Birth certificate
 - iii. Copy of picture ID
 - iv. Copy of NIS card
 - v. Copy of TRN card
 - vi. Copy of Academic Qualifications
 - vii. JCF Questionnaire for Recruits
 - viii. Medical History Sheet

7.3. Addressing Discrepancies

7.3.1. Document Missing Items:

7.3.1.1. If any documents are missing or mismatched, record the discrepancies on the checklist.

7.3.1.2. Notify the sending department immediately about any discrepancies for resolution.

7.3.2. Set Aside Incomplete Files:

7.3.2.1. Separate incomplete files from complete ones and label them clearly for follow-up.

7.3.3. Cross check cover list to Force Orders and other relevant records to ascertain whether the member has successfully completed Basic Training and been given an Initial Posting to a Division where the Record of Service Sheet will be dispatched

7.4. Final Check and Documentation

7.4.1. Perform a final cross-check to ensure that all documents in the complete files are in order.

7.4.2. Sign off on the checklist for each verified file.

7.4.3. Prepare a summary report of received files, noting any discrepancies or issues.

7.4.4. Stamp and sign cover letters with the Registry RECEIVED stamp, adding date and time.

7.4.5. Sign dispatch book or other document(s) from the sending department indicating receipt, and acceptance of files and documents in actual receipt.

7.5. Filing and Storage

7.5.1. Organize the verified files in the designated storage area.

7.5.2. Ensure files are stored securely to maintain confidentiality and integrity.

7.5.3. Update the electronic records system to reflect the intake of new files.

7.5.4. Note any discrepancies or follow-up actions required.

7.6. Timeliness and Efficiency

7.6.1. Set Deadlines, aiming to complete the verification process within 3 days of receipt.

7.6.2. Ensure adequate staffing and resources are allocated and available to handle the volume of files.

7.6.3. Regularly review the intake process to identify and implement improvements.

7.7. Compliance and Monitoring

7.7.1. Conduct regular audits to ensure compliance with this SOP.

7.7.2. Provide on-going training for staff on the importance of thoroughness and timeliness in the intake process.

7.8. Documentation and Records

7.8.1. Maintain detailed checklists and logs of received files, discrepancies, and actions taken in respect of members' files receipt and intake process.

7.8.2. Generate regular reports summarizing the intake activities, issues encountered, and resolutions.
