1.0 Introduction

This Standard Operating Procedures (SOP) outlines the procedures for the Planning, Research, and Development Branch (PRDB) regarding the management of the submission of Plans and Performance Reports from Formations. The document addresses the reception, logging, storage, archiving, and reporting of Plans and Performance Reports, ensuring efficient and systematic handling of submissions. It aims to streamline processes and maintain high standards of record-keeping and performance management in alignment with the goals of the Jamaica Constabulary Force.

2.0 Purpose

The purpose of this SOP is to establish a clear, consistent approach for managing submissions from Formations. It aims to ensure accurate record-keeping, timely updates, and effective communication.

3.0 Scope

This SOP applies to all personnel within the PRDB responsible for handling submissions from Formations. It includes the procedures for receiving, logging, storing, archiving, and reporting on plans and performance reports. Key stakeholders affected by this policy include PRDB staff and the Director of Planning and Performance Management.

4.0 Abbreviations and Acronyms

PRDB Planning, Research and Development Branch

PPMU Planning and Performance Management Unit

5.0 Definitions

5.1 Email Correspondence

All acknowledged emails saved in a designated email folder.

5.2 Formations

Organizational units or departments that submit plans and performance reports to the PRDB

5.3 Plans and Performance Reports

Documents submitted by Formations outlining their plans and performance metrics.

5.4 Submission Register for Plans and Performance Reports

An Excel database tracking all submissions, updated weekly with new submissions, and stored securely on the PPMU server. This database also has the capacity to store archived records.

5.5 Key Stakeholders

Individuals or groups directly affected by the policy, including PRDB staff and the Director of Planning and Performance Management.

6.0 Responsibilities

- 6.1 **Director of Planning and Performance Management Unit**
The recipient of the weekly Submission Register for Plans and Performance Reports updates.
- 6.2 **Planning Research and Development Branch Planning Assistant**
Responsible for checking emails, logging, and storing submissions; archiving submissions and updating the database; preparing and sending the weekly report email; and overall management of the submission process.

7.0 Standard Operating Procedures

- 7.1 **Receiving Submissions of Plans and Performance Reports**
Upon receiving a submission through the designated Planning and Performance management Unit's email address the member shall:
 - 7.1.1 periodically check the PPMU email up until 3:00 p.m. daily for submissions from Formations;
 - 7.1.2 download and save all attached plans and performance reports to the designated folder on the server; and
 - 7.1.3 acknowledge the receipt of each submission by replying to the sender.
- 7.2 **Logging Submissions of Plans and Performance Reports**
Once a new submission is received the following procedures shall apply:
 - 7.2.1 open the *Submission Register for Plans and Performance Reports*;
 - 7.2.2 enter the following details for each new submission:
 - 7.2.2.1 Date of submission;
 - 7.2.2.2 Name of the Formation;
 - 7.2.2.3 Type of document (Plan or Performance Report);
 - 7.2.2.4 Filename;
 - 7.2.2.5 Acknowledgement sent (Yes/No); and
 - 7.2.3 Save and close the register.
- 7.3 **Storing Submissions of Plans and Performance Reports**
Upon receiving new submissions the following procedures shall apply:
 - 7.3.1 organize the documents in the designated folder by creating sub-folders based on:
 - 7.3.1.1 Year;
 - 7.3.1.2 Formation;
 - 7.3.1.3 Document type (Plan or Performance Report); and
 - 7.3.1.4 ensure each document is named according to the following format:
