1.0 Introduction

- 1.1** This Standard Operating Procedure (SOP) represents the standardized guidelines of the Jamaica Constabulary Force (JCF) for the maintenance of service vehicles at garages located at areas 1 and 2 as well as those external to the JCF which are approved.

2.0 Purpose

- 2.1** The purpose of this SOP is to ensure that the JCF Fleet of vehicles are properly serviced and maintained to the highest standard to provide effective and efficient mobility within the organization in line with the Government of Jamaica (GOJ) motor vehicle policy (Ministry of Finance and the Public Service, MOFPS)

3.0 Scope

- 3.1** This standard operating procedure applies to all wheeled vehicles owned by the Commissioner of police and operated by the Jamaica Constabulary Force.

4.0 Standard Operational Procedures

This Standard Operating Procedure (SOP) is applicable to the authorized garages and will require the Sub Officers in charge at Areas 1 and 2 garages and the Divisions' Transport Managers/ Sub Officers in charge Transport to have oversight of all Approve Garages, that services and repairs JCF units.

The following SOPs shall apply:

- 4.1** When a vehicle is to be serviced or repaired the SOI/C Area Garage is prompted by an email, via telephone or by text message (WhatsApp) by the Transport Sub Officer in charge of the division requiring such services.
- 4.2** The unit will be taken to TMMD Area garages or an Authorized Garage by the Sub Officer or his designate.
- 4.3** A Repair Order is generated and approved by SSP TMMD or designate and should accompany the unit to the repairer (*Appendix B*)
- 4.4** Units taken to approve garages will be assessed by the repairer and an estimate generated. This estimate will be checked, verified by the SOI/C Area Garage or a representative who will also verify work done via a post repairs checklist.
- 4.5** All estimates will be reviewed by the Workshop Manager to ensure that pricing is within market value. If there are any queries or issues this would be communicated to the repairer and the S.O i/c Area Garage.

- 4.6 Before work commences approval **MUST** be given by Senior Superintendent of Police, TMMD or a designee.
- 4.7 All estimates exceeding the threshold of \$300,000.00 are sent to ACP Services Branch for approval.
- 4.8 Once approval is given, the Commitment requisition is prepared and sent along with the estimate to the Jamaica Constabulary Force's Finance Branch. The Branch in turn will prepare the Purchase Order and forward to TMMD HQ.
- 4.9 Once the work is completed, the Vehicles will be road tested by the Area representatives to ensure that the defects have been repaired and to ensure that there are no other defects.
- 4.10 A Post Repairs checklist (*Appendix B*) accounting for all works done on the vehicle is to be prepared by the repairer and handed to TMMD representative; this information will be entered into the Fleet Management System as permanent record.
- 4.11 **A Declaration of Satisfaction MUST be completed on the Post Repairs checklist and submitted to TMMD HQ.**
- 4.12 The **Invoice** is then submitted to TMMD HQ for payment.
