1.0 Introduction

- 1.1 The security of the Jamaica Constabulary Force (JCF) Transport Management Maintenance Division (TMMD) facility and its assets are of utmost importance to the TMMD Management and the JCF overall.
- 1.2 The mandate of the TMMD is to keep the JCF mobile and visible, consequently every effort will be made to provide the best possible servicing and maintenance program, while securing the assets of the department. Maintenance of the fleet is expected to be done effectively and as efficiently as possible based on available resources.

2.0 Purpose

- 2.1 The purpose of this SOP is to outline the process of managing the safety, security and integrity of the TMMD facility.

3.0 Scope

- 1.1 This standard operating procedure applies to all sworn and unsworn members of the JCF who occupy or visit the TMMD compound.
- 1.2 Sub-Officers and Team Leaders are responsible for enforcing and adhering to the current procedures and to ensure that customers and visitors are aware of the rules and stay aligned with the instructions within this SOP.

4.0 Safety

- 4.1 The main gate is to be kept closed and open only for vehicular traffic. All pedestrians should use the small gate provided.
- 4.2 On arrival at the Reception Area, employees and visitors must be wearing a mask, have their temperature checked and hands sanitized before entering the facility.
- 4.3 No personnel visiting TMMD should be allowed inside the garage unsupervised.
- 4.4 All Service vehicles taken in for servicing or repairs are to be collected at the Checkpoint by a TMMD driver and delivered at the appropriate workshop unless the Check Point Supervisor or a Senior Sub Officer authorizes the driver to proceed. On completion, the vehicle is returned to the Checkpoint and handed over to the Force Driver.
- 4.5 All personnel when required must be attired in appropriate safety gear. Loose jewellery and other hazardous accoutrements must NOT be worn whilst on the garage floor effecting repairs.

5.0 Procedures for Checkpoint and Grounds

- 5.1 All TMMD employees including civilians must be properly attired in keeping with workplace/JCF standards.
- 5.2 AT ALL TIMES, no less than **TWO** members of staff **MUST** be operating at the Checkpoint and the number **MUST** including one sworn member.
- 5.3 Vehicles entering the garage for repairs **MUST** be physically checked off and all tools accoutrements and defects noted on the prescribed checklist which must be signed by the driver when entering and exiting the facility, this includes units based at TMMD.
- 5.4 Absolutely **NO** prisoner, exhibit nor any unauthorized property is to be admitted in the Garage under any circumstances.
- 5.5 All vehicles entering and leaving the garage **MUST** be searched thoroughly in the presence of the driver.
- 5.6 No vehicle with any **VISIBLE DAMAGE** as a result of an accident is to be admitted in the garage for repairs **WITHOUT** ascertaining that a report of the accident has been submitted to SSP in charge TMMD.
- 5.7 At all times, all Advance Cards (Fuel Debit Cards) must be handed over for Service Vehicle to be repaired or serviced whether at TMMD or an Authorized Garage; this includes vehicles wrecked to the facilities.
- 5.8 Only vehicles owned by JCF are to be admitted at TMMD or Area garages for servicing or repairs.
- 5.9 All vehicles driven by TMMD employees and civilians are to be parked in the parking areas provided outside of the checkpoint; only vehicles delivering supplies at stores, removing garbage or attending to property maintenance are allowed to go beyond the checkpoint unless authorized by SSP in charge TMMD or designate.
- 5.10 Before new parts are issued, corresponding defective parts must be returned to the stores.
- 5.11 All vehicles that have been repaired must be brought to the checkpoint to be test driven and approved for delivery.
- 5.12 All units that are sent to authorize garages for repairs must be accompanied by a Repair Order (Job card) and a Post Vehicle Service and Repairs checklist.

- 5.13 Section supervisors are responsible for the security of all vehicles taken to the section for repairs even if it is parked elsewhere on the facility due to space constraints.
- 5.14 No parts or accessories must be removed from any vehicle in the garage and fitted to any other vehicle without approval of SSP in charge TMMD or designate.
- 5.15 No vehicle must be worked on in the precincts of TMMD during work hours unless authorized by SSP in charge TMMD or a senior manager.
- 5.16 On no occasion must TMMD personnel be seen resting or lounging in service vehicles taken in for repairs.
- 5.17 Personnel performing Ground Commander duties must be attired in No. One uniform or denim with badges of rank and is responsible for reporting, recording and investigating all unusual occurrences and report to SSP in charge TMMD through the chain of command.
- 5.18 Section supervisors are responsible for the custody of the keys for all units undergoing repairs at the section and MUST ensure that units are securely locked and keys left in a secure location.
- 5.19 Section supervisors are responsible for all tools and equipment used at the section and must account for all such inventory when required.
- 5.20 Section supervisors are to ensure that all tools are properly cleaned and securely locked away and the general areas cleaned at the end of the workday.
- 5.21 No member of staff is to carry any tool or other equipment off the compound unless authorized by SSP in charge TMMD or a senior manager.
- 5.22 No member of staff is permitted on the compound of TMMD after operating hours or weekends unless detailed for a duty or otherwise authorized by SSP in charge TMMD.
- 5.23 No member of staff should communicate with any division or force driver informing them of the readiness of any unit. *(to be done by DSP Operations or designate)*
- 5.24 All members of staff, sworn and unsworn are required to attend weekly parades and briefings.
- 5.25 No foul or abusive language is to be used in the facility and personnel must conduct themselves with decorum and respect for self and others.
