1.0 Introduction

The production of Police Records continues to be an ever-growing demand from individuals residing both locally and abroad. This is as a result of an increase in the number of persons who are required to demonstrate any history of conflict with the law, primarily for employment and migration purposes. The Criminal Records Office (CRO) is responsible for the management of Police Records. This includes *inter alia*; the collection, storage, and processing of specific court records, management of the country's criminal records and related databases, as well as the dissemination of Police Records.

In order to adequately meet this demand, the systems and processes of the CRO have been transformed to better serve the needs and expectations of its customers. This Policy and Standard Operating Procedure for the Production of Police Records represents the JCF's commitment to offer high quality service to all stakeholders of the CRO.

2.0 Purpose

This document outlines the JCF's policy and standard operating procedures for the collection, storage, and processing of specific court records, management of the country's criminal records and related databases, as well as the dissemination of Police Records.

3.0 Scope

This Policy and SOP applies to all sworn and unsworn members of the Criminal Records Office. It covers the procedures for the organization's management of Police Records.

4.0 Policy Statement

The JCF is committed to ensure the continual advancement of its systems and processes in order to satisfy the changing demands of its customers. To this end, it is the policy that;

- 4.1 Police Records are managed in a manner that reflects efficiency and accuracy while safeguarding the rights, privacy and confidentiality of stakeholders;
- 4.2 the CRO fosters a customer-friendly environment geared at delivering impartial, professional and high quality service; and
- 4.3 only trained and authorized personnel will access the criminal records database.

5.0 Abbreviation and Acronyms

9.0 Standard Operating Procedure

The management of Police Records comprises three major processes in which applicants are required to: i) pay for the required service type; ii) complete an online application; and iii) attend the selected location on the scheduled date and time for fingerprint and further processing.

9.1 Payment

The applicant pays for appropriate service at the Tax Administration Jamaica (TAJ) and, for overseas applicants without Tax Registration Number (TRN) should make direct deposits into the Ministry of National Security assigned bank account.

9.2 Online Application

Applicant completes online process which includes *inter alia* scheduling appointment. This includes selecting available date, time and location for service.

9.3 Police Certificate Application Unit

This unit is the first point of contact with the applicant or his/her bearer, and is responsible for the assessment of documents, fingerprinting and preliminary search. This is critical in commencing the processing of Police Records.

9.3.1 Applicant in Person

The customer service representative shall:

- i. verify that the applicant is in possession of the same documents that were uploaded during the online application process. These documents are; a) passport size photograph, b) receipt of payment and c) valid government issued identification. Where the application is for overseas purposes, the applicant's passport must also be presented; and
- ii. use the receipt number or other information provided on the application to record the arrival of the applicant on the PCAMS then direct him/her to the designated Fingerprint Machine Operator.

9.3.2 Fingerprint Processing

The Fingerprint Machine Operator shall:

- i. collect fingerprint from applicant using the appropriate methods;
- ii. record on the application form, the unique reference number generated by the particular machine used for fingerprinting;
- iii. record the result of the fingerprint on the ***JCF Police Certificate Application form (PCA01)(See Appendix 1)*** and affixed signature. This result can be 'Hit' or 'No Hit';
- iv. in case of 'Hit', record the CRO# or a Temporary Number (T#) on the JCF Police Certificate Application form and attach the ***JCF Criminal Records Office Fingerprint Form (CROF-03/CIB-FP-3) (See Appendix 4)***;
- v. update the PCAMS with the results; and
- vi. where there is a 'No Hit', submit the updated application form (PCA 01) to the interview section for further processing.
- vii. Where there is a 'Hit' result both the (PCA 01) and the CROF-03 must be submitted to the interview section for further processing.

9.3.3 Interview Process

The interviewing officer must interview the applicant, verify and/or update information on the PCAMS, advise the applicant, and record the date, time, and place of collection on the receipt.

9.3.4 Verification Process

- i. The supervisor in charge of the Police Certificate Application Unit shall review data on the PCAMS, where it is either approved or rejected.
- ii. Where an application has been approved, it is then handed to the Secondary Processing Unit for further processing.
- iii. Where an application is rejected for whatever reason, it is sent back to error document on the PCAMS for additional processing.

9.3.5 Bearer acting on behalf of applicant (Only for overseas applicant)

Where a bearer is acting on behalf of an applicant overseas, the following procedures shall apply:

- i. The customer service representative shall verify that:
 - a) there is a receipt of payment in the applicant's name;
 - b) there are two passport sized photographs of the applicant;
 - c) there is a notarized copy of the biographic data page of the applicant's passport;
 - d) the applicant's fingerprint was processed by the Police Station with an authorized agency with a stamp or seal affixed or Notarized
 - e) the bearer has a valid government issued identification; and
 - f) a letter authorizing him/her to act on the applicant's behalf.

- g) The JCF Police Certificate Application, PCA-01 (the applicant should access the PCAMS online to complete this form).
- ii. The customer service representative shall issue the bearer with a ***JCF Criminal Records Police Certificate Worksheet (Foreign Application) Form*** (PCA-02) (see Appendix 3) to be completed and direct him/her to the interview section and PCAMS is updated.
- iii. The member at the interview section shall add the completed Police Certificate Worksheet (Foreign Application) Form to the applicant's package, advise the bearer of the date, time and location for collection and submit the package to the Secondary Processing Unit and PCAMS is updated.

9.4 **Police Certificate Secondary Processing Unit**

The secondary processing stage serves to validate the status as obtained from the MESA. The following procedures shall apply:

9.4.1 Arrange applications by the service type (express or regular and by the foreign print) then further sort by '**Hit**' or '**No Hit**'.

9.4.2 Where there is a '**No Hit**', the following actions will apply:

- i. conduct secondary search on CYCLOPS using the applicant's biographic data;
- ii. if applicant's data is found on CYCLOPS;
 - a. record T# or CRO# on application form in pencil, and
 - b. informed the applicant to return to the CRO where a latent print on CROF-03 that will be taken for verification.
- iii. submit the latent print to the Fingerprint Bureau (FPB) for examination;
- iv. if the status remains a '**No Hit**' after checks by the FPB, the secondary search unit shall;
 - a. affix 'No Trace' stamp and his/her signature;
 - b. update the PCAMS; and
 - c. submit the completed application to the supervisor for further verification.
- v. The supervisor, after verification, approves or rejects the application on PCAMS, where applicable, and then forwards it to the Final Processing Unit.

9.4.3 Where there is a '**Hit**' in relation to a '**T#**', CRO shall:

- i. Request from the respective court, the result(s) of case.
- ii. Where the case result is a conviction, the Profile Form CR-14 is completed.

- iii. Submit to the Finger Print Bureau for further processing with the following:
 - a. result(s) from the court
 - b. Completed Profile Form (CR-14);
 - c. JCF Police Certificate Application Form, and
 - d. JCF Criminal Records Office Fingerprint Form (CROF-03) Appendix 4,

9.4.4 The FPB will record the details of the charges on the application, create CIB-19 (docket) and re-submit to CRO who will conduct further processing.

9.4.5 Where the result from the court indicates that the applicant was exonerated, CRO shall:

- i. update CYCLOPS; and
- ii. submit the PCA-01, the CROF-03, and the result from the court to FPB for updating.

9.4.6 The FPB shall return documents to CRO for further processing.

9.4.7 Conviction(s)

Where the result from the fingerprint Bureau returns as a CRO # (conviction), the CIB-19 docket from the Courts Records Docket Room Unit must be requested to analyze and determine the status of the applicant. This analysis may indicate that:

- a. applicant was underage at the time of conviction;
 - b. conviction(s) fall into the category for automatic expungement;
 - c. conviction was expunged;
 - d. conviction was successfully appealed;
 - e. the conviction is spent;
 - f. the court letter indicated conviction not to be recorded; and
 - g. there is a repeal of legislation
- i. The (supervisor functions) CIB-19 (docket) shall be endorsed and indicate the type of Police Record the applicant should receive; this may be a JCF Verification of Conviction Letter,
 - ii. If a JCF Verification of Conviction Letter is to be processed, the CIB-19 (docket) should indicate whether the rehabilitation period was 'spent' or 'not spent'. The CIB-19, along with the PCA-01 and the CROF-03, must be sent to the Final Processing Unit for further processing. PCAMS must be updated accordingly.
 - iii. If the CIB-19 (docket) is recommended to be cancelled (which means that the applicant is cleared of conviction(s) after analysis), update PCAMS, CYLOPS and MBIS.

- iv. On receipt of the CIB-19 (docket) from FPB bearing a 'deleted' stamp, initiate the aforementioned '**No Hit**' process for the preparation of Police Certificate.

9.4.8 **Foreign Print Application**

In cases where the latent fingerprints are from applicants overseas, the following procedures shall apply:

- i. The Foreign Print Desk shall register the prints and submit it to the FPB for processing.
- ii. Upon return to the Foreign Print Desk, the above-mentioned procedure treating with '**Hit**' or '**No Hit**' shall be adopted.

9.5 **Final Processing**

Completed Police Record applications with '**No Hit**' status are submitted to the Final Processing Unit.

9.5.1 The Final Processing Unit must ensure that:

- i. the approval or rejected status is updated on PCAMS;
- ii. applications are sorted according to date, service type, and distributed for the generation of certificate
- iii. the Police Certificate is prepared on the **JCF Police Certificate PC-01** and they are printed on PCAMS; and
- iv. Police Certificates and the JCF Verification of Conviction Letter, are dispatched on PCAMS to the Police Certificate Collection Unit.

9.5.2 Where the application is a foreign print, completed documents must be dispatched via the foreign print desk.

9.6 **Collection of Police Certificates**

The Supervisor i/c Collection Processing Unit must ensure that;

9.6.1 prior to issuing a Police Certificate:

- i. applicant produces the receipt of payment where it is examined, stamped and returned, and the applicant issued the Police Certificate; and
- ii. where a bearer is collecting on behalf of the applicant, the bearer produces:
 - a. a valid government issued identification;
 - b. the applicant's receipt of payment where it is examined, stamped and returned; and
 - c. a letter of authorization from the applicant to act on his/her behalf (The CRO must retain this letter)

9.6.2 After the Police Certificate is issued, PCAMS is updated, and the customer is then invited to participate in a quality survey.

9.7 Re-print of Police Certificate

A Police Certificate may be re-printed within three months after the date it was issued. This is a same-day process, and the following procedures shall apply:

- 9.7.1 Where the re-print requires a receipt of payment, this must be collected and forwarded to the Final Processing Unit for approval.
- 9.7.2 The original application must be located on PCAMS, make amendment(s), if required, print and handed to the customer. The receipt is stamp *'delivered'* and returned to the customer.

9.8 Application for Transmission Print

This is a set of fingerprints requested by an applicant to facilitate the processing of obtaining a Police Record from another country. This is a same day process and no appointment is required.

- 9.8.1 The Customer Service Representative shall collect the receipt of payment for the latent fingerprint, a valid government issued identification of the applicant, and the completed ***Fingerprint Transmission Form (CROFT-04) (Appendix 5)***.
- 9.8.2 Direct the applicant to the Fingerprint Room where the latent fingerprint will be captured by the fingerprint technician.
- 9.8.3 The technician shall submit the completed Fingerprint Transmission Form to the supervisor for certification and to update the Transmission Print Register.
- 9.8.4 The Fingerprint Transmission Form along with the receipt of payment stamped *'delivered'* will be returned to the applicant.

9.9 Management of Uncollected Police Records
