JAMAICA CONSTABULARY FORCE

Technology Branch Use, Care and Maintenance of Police Radios Procedure

1.0. Purpose

To provide guidelines for the management of all portable radios within the Jamaica Constabulary Force (JCF), which involves processes for their use, care and maintenance when assigned to each sworn member. Must be used in collaboration with the JCF's Communication Policy.

2.0. Scope

Technology Branch is the accountable party for all radios within the Jamaica Constabulary Force (JCF). The Telecommunications Division is the party responsible for ensuring that the procedures are adhered to by the receiving sworn members. The processes apply to the use, care and maintenance of all police radios (inclusive of mobile and base radios), assigned to sworn members within the organization.

3.0. Definitions

Radio	An instrument used for wireless communication over a distance by use of radio waves.
Portable Radio	A handheld device that can both transmit and receive radio waves and can be operated while in motion.
Mobile Radio	A device which is installed in a vehicle that can both transmit and receive radio waves and can be operated whilst the vehicle is in motion.
Base Radio	A device installed at a fixed location that can both transmit and receive radio waves.

4.0. Responsibility

CO	Commanding Officer
SO	Sub-Officer
ADMIN	Administrative Office
TD	Telecommunications Division
TB	Technology Branch
MEM	Member to whom portable radio is assigned

JAMAICA CONSTABULARY FORCE
Technology Branch Use, Care and Maintenance of Police Radios Procedure

5.0. Description of Activities [Procedures]

- | | | |
|------------|--------------|--|
| 5.1 | ADMIN | Received request for radio from internal stakeholder(s) (Commissioner of Police, Area Officers etc.), or conduct assessment to determine need for radio by sworn member. |
| 5.2 | ADMIN | Submits request to the CO for processing. |
| 5.3 | CO | Reviews request from ADMIN. If request is approved, CO appoints an SO to execute the request. |
| 5.4 | SO | SO received instructions from CO to execute request. |

Pre-Distributing Activities

- | | | |
|------------|-----------|--|
| 5.5 | SO | Inspect radio battery status. If status is below 50%, do not distribute. Place on charger until fully charged before distributing. In the event of emergency, radio may be distributed if the status is 50% or higher. |
| 5.6 | SO | Inspect transmitting functionality. If defective, do not issue radio. |

Distributing Activities

- | | | |
|-------------|-----------|--|
| 5.7 | SO | Record status of radio. |
| 5.8 | SO | Record name and regulation number of member collecting radio. |
| 5.9 | SO | Ensure collector their logs signature upon receiving radio. |
| 5.10 | SO | Record name and regulation number of member assigned to use radio. |

Maintenance Activities

- | | | |
|-------------|-----------|---|
| 5.11 | SO | Log status of portable radio upon commencement of duty. |
|-------------|-----------|---|

JAMAICA CONSTABULARY FORCE

Technology Branch Use, Care and Maintenance of Police Radios Procedure

- 5.12 SO** Log status of portable radio upon conclusion of duty.
- 5.13 SO** Ensure that portable radios in safekeeping are kept fully charged.

Treatment of Defective Radios

- 5.14 SO** Defective radios must be reported the Technology Branch's Help Desk at (876)-984-8324 or ext. 4TECH.
- 5.15 MEM** Solely responsible to repair damaged sustained to portable radios whilst on duty.

Treatment of Breaches of Procedures

- 5.16 MEM** Portable/Base Radios are prohibited from being used to transmit information that is inappropriate for air play. Failure to comply will result in disciplinary actions being taken.
- 5.17 MEM** Procedural breaches shall be handled in accordance with the disciplinary procedures outlined in the Police Services Regulations.

Radios and Separated Members (Termination, Resignation or Retirement)

- 5.18 SO** Ensure collection of radios from all members who have retired or resigned from the organization within two weeks of official separation. If the member has been scheduled for pre-retirement leave, radios must be collected prior to first day of pre-retirement leave.

Radios and Separated Members (Death)

- 5.19 SO** Ensure collection of radios from family members of members who have passed within two weeks of official notice of passing.
