In recent times, the Police High Command has been concerned with instances of deterioration in decorum and appearance of both our uniformed and non-uniformed personnel (JCF and Rural Police). The uniform of the JCF must be worn with dignity at all times if we are to earn the respect of those we serve.

The importance of dress and appearance in the workplace cannot be overemphasized. It is even more so for a workplace with an established uniformed dress code and standards of grooming.

A professional style of dressing helps employees focus on their jobs, raise self-esteem, affects how an employee is perceived by peers, superiors, and can inspire confidence in customers.

A well groomed appearance from head to toe conveys a professional image and a message that one is serious about their job.

Below are the current requirements for appropriate dress for all members of the Jamaica Constabulary Force.

Uniformed Gazetted Officers and Inspectors loops and waist belts

With effect from 15th September 2014, gazetted Officers and Inspectors will wear their uniform jacket without loops and waist belts.

Hairstyle: Male/Female

General

Members of the Force are to keep their hair properly groomed and presentable at all times. In the case of males they should have their hair well cut and trimmed. Hair is not to be allowed to grow to a length and thickness on which the head dress cannot properly fit, or which has an appearance incompatible with that required of a member of the Force, who is to look smart at all times.

Circular No.21

Permanent Secretaries
Heads of Departments and Agencies
Chief Executive Officers of Public Bodies

Revised Procedures for Official Overseas Travel

The Ministry of Finance & Planning carried out a review of the per diem rates payable to public officers to cover expenses while on official overseas business as well as the applicable procedures for overseas travel. However, due to the tight fiscal constraints in which the government currently operates, the increase in the rates was not supported by the Cabinet, therefore the rates approved in 2006 remain applicable (See attached Appendix I).

Notwithstanding the above, the procedures were revised to provide more clarity and also to allow for a more efficient means of allocating per diem (See attached as Appendix II). Special note should be made of the revised procedures below:

- I. Procedure 7 - Air Travel
- II. Procedure 11- Reimbursement/Refunding of Expenses
- III. Procedure 12 - Report Required.

It should also be noted that there is now a single Application Form (See attached Appendix III) which was revised and now captures the information for both parliamentarians and public officers. Quarterly Reports are also required to be submitted to this Ministry in the format provided as included at Appendix IV by the 15th day of each month following the end of a quarter.

Permanent Secretaries are now delegated the authority to approve all per diem in accordance with the procedures outlined without referral to the Ministry of Finance & Planning. A proper system for managing and controlling foreign travel must be instituted including an audit of this function at least once every year. Further, proper records must be maintained of all official travel for accounting, reporting and auditing purposes.

These procedures and corresponding forms attached as Appendix I – IV supersede all previous Circulars issued in respect to foreign travel and come into operation with immediate effect.

Permanent Secretaries, Heads of Departments and Agencies are asked to ensure that this Circular and its attachments are brought to the attention of all relevant officers.

Devon Rowe, CD
Financial Secretary

- 2.3 MDAs and other public entities are required to exercise restraint in planning overseas visits. Only those trips that are considered essential to the attainment of the entity's or Government's objectives should be considered. All other avenues for gaining relevant knowledge or experience should be considered before overseas travel is proposed.

Accounting Officers must ensure that:

- iii. The facilities provided to assist public officers to carry out their official duties are safe and reasonable; and
- iv. Business travel arrangements are cost effective ensuring best value to the country.

Public Officials travelling overseas on official business shall:

- i. Exercise fiscal prudence in incurring expenses outside of approved amounts; and

4. Consideration for Granting Approval for Overseas Travel

- 4.1 Before submitting a recommendation to the Cabinet Secretary, Permanent Secretaries are required to ensure that expenditure from the public purse for official overseas travel by Ministers or Ministry officials is met from the relevant Ministry's or entity's budget and **not** by associated Departments, Agencies or Public Bodies.
- 4.2 In general, proposals for official travel overseas must take into consideration the benefits to the country, as well as financial constraints, duration, size of delegations, public perception, and such travel must be in the interest of the country and only in regard to the relevance of the portfolio responsibilities of the Minister or public officials concerned.
- 4.3 In respect of invitations to speak at events overseas in an official capacity, and where sponsorship is not being provided by an overseas entity, public officials should ensure that the benefits that accrue to the country from these overseas visits exceed the cost of the related expenses for attending these engagements.

5. Procedure for Application of Per Diem

- 5.1 Members of the political directorate and other public officials, who are granted approval to travel abroad on official business, will be given a per diem (travel allowance) to cover expenses related to the travel (i.e. hotel bills, meals, transportation, telephone calls, internet access and other expenses related to travel) for the period of the proposed trip.

- 5.4 Application forms must be submitted to the Office of the Minister of Finance **at least three (3) working days** prior to the travel date.

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3739 DATED 2019-01-31

Public Officials

- 5.5 The application for per diem must be made on the prescribed application form "Application for Foreign Exchange for Official Visits Abroad". The completed application form must be submitted to the Permanent Secretary of the portfolio ministry department, agency or public body at least seven (7) working days before the proposed date of the applicant's departure on the trip for which the foreign exchange is being sought.

The application form must clearly indicate the information at 5.2 above.

- 5.6 The Financial Manager must certify that funds are available from the approved budget for each application for foreign exchange for official visits abroad.
- 5.7 The application for overseas travel must be supported by a **valid** travel itinerary, a hotel booking and relevant documentation from organizers, setting out the details of the meeting/seminar/workshop etc. **Where these costs cannot be verified, the amounts must be treated as an advance to be cleared upon presentation of actual bills/receipts.**
- 5.8 In cases where official visits are being subsidized by overseas bodies or organizations, the required adjustments must be made to the per diem and reflected on the application form.
- 5.9 Copies of the approved foreign exchange application form, Cabinet Secretary's approval and other relevant supporting documents must be maintained by each entity on a file specific for the purpose. For audit purposes, proper records must be maintained of all foreign exchange approved for official visits abroad.

6. Release of Funds for Travel

- 6.1 Request for the release of funds, including foreign exchange for official travel overseas should not be considered without the requisite approvals indicated at three (3) above.
- 6.2 The release of funds for official overseas travel will be subject to the relevant per diem rates approved by Cabinet from time to time. Appropriate and bona fide justifications must be provided prior to travel to make payments above the approved rates.
- 6.3 Where bona fide justification is not provided to support expenditure above the approved per diem rates, the excess amount should not be paid. If the cost is incurred while overseas and cannot be justified and supported with the requisite receipts and bills, the individual who incurred the cost must absorb the excess amount.
- 6.4 Once the annual budgetary allocation of a ministry, department, agency or public body for official travel abroad has been exhausted or fully committed, no further requests for

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3739 DATED 2019-01-31

foreign exchange should be made until the entity has applied for and has been granted a supplementary financial allocation for the year.

- 6.5 With respect to self-financing public bodies, once the budget for foreign travel has been exhausted, no request should be approved unless the Board has approved an increase in the allocation.

7. Air Travel

- 7.1 Officers travelling must **not** be allowed to make their own travel arrangements. A designated Officer/Unit/Division within the organisation should be responsible for making all travel arrangements.
- 7.2 For parliamentarians, the Prime Minister and Minister of Finance will decide the class of air passage in each case. With regard to ministerial travel, travel must be **at the most** business class.
- 7.3 Permanent Secretaries, Chairmen and Chief Executive Officers may travel **at the most** business class where amounts are approved within the budget to allow for such travel.
- 7.4 For other public officials, **air travel** of less than eight **(8)** hours consecutive flying time between departure and arrival must be at the most economy class. Air travel of longer duration should be dealt with on a case by case basis and specific approval of the Permanent Secretary is required for upgrade to business class.
- 7.5 When airline tickets are provided by overseas organizations as a part of sponsorship for official visits abroad, additional funds should not be expended to upgrade the airline tickets without the prior written approval of the Permanent Secretary.
- 7.6 For travel time of over eight (8) hours between departure and arrival, Permanent Secretaries may exercise discretion to allow for an additional day's travel instead of an upgrade where the cost of the upgrade exceeds the day's per diem.
- 7.7 In all cases, air travel must be planned to make use of the most economical route. In addition, steps should be taken to avoid multiple transfers, overnighting and lengthy waiting time(s) between flights. Transfers to facilitate personal needs should only be considered if the officer is willing absorb the additional cost which must be paid prior to departure.
- 7.8 Continuous reviews must be undertaken of the service charges of travel agencies to ensure that the Government at all times receives value for money.
- 7.9 Travel days must be planned to allow for arrival the day before and departure the day immediately after seminars/meetings/conferences except in cases where flights are not available or other unforeseen events prevents same.

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3739 DATED 2019-01-31

- 9.4 The following should be used as a guide to allocate the respective components of the per diem rate where the prescribed rate is insufficient to cover the total cost:
- i) Accommodation at the average cost of available hotels;
 - ii) Meals and incidentals at US\$90.00 to US\$120.00 depending on the country visiting and the cost to be incurred.
- 9.5 Per diem begins on the day of arrival of destination. A full day's per diem at the applicable rate is paid if the travel begins before 11 am. Thereafter, meals should be apportioned according to travel time. No per diem is paid on the day in which the travel ends. However, provision may be made for meals where departure is after 11 am or where there are lengthy stopovers.
- 9.6 Where overseas travel is fully sponsored by an overseas organization an advance may be given to cover unforeseen expenditure until sponsorship funds are received. However, the advance must be fully accounted for within seven (7) days on the return of the officer.
- 9.7 Where only accommodation and meals are provided (paid) and the sponsor indicates that **no additional funds** will be granted, an amount of US\$40.00 per day for parliamentarians and US\$35.00 per day for public officers to a maximum of one month may be given. Thereafter, an application of US\$10.00 per day to a total maximum of US\$2,000.00 may be paid.
- 9.8 In instances where a stipend is paid by sponsors but is less than the stipends indicated at 9.7 (US\$40.00 & US\$35.00), Permanent Secretaries may approve the difference between the amount paid and the applicable rate if the amount provided is considered inadequate to cover estimated expenses.
- 9.9 Permanent Secretaries are therefore required to ascertain the level of sponsorship and assess whether the amounts referred to at 9.7 above should be paid based on the offer given by the sponsor.
- 9.10 An in-transit allowance may be paid to officers en route, where the time between departure and arrival spans twenty-four (24) hours. An amount not exceeding US\$100.00 may be paid depending on the estimated expenditure to be incurred. This allowance should be separate from the amount paid for accommodation, where the individual is required to overnight at a hotel.
- 9.11 Where the assistance of Missions abroad is sought to make reservations for hotel accommodation, directions must be given to the Mission regarding room rates, as these rates must be consistent as much as possible with the approved per diem rates.

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3739 DATED 2019-01-31

- 9.12 Any official stationed in an agency office overseas, who authorizes the use of funds of the agency (held there in foreign exchange) to pay bills left there by a public official, who before leaving Jamaica was provided with foreign exchange sufficient to meet all reasonable bills, is liable to a surcharge of a sum equal to the full amount of the payment.
- 9.12 Cabinet Ministers may occupy hotel suites **only** where the cost for hosting planned meetings is more economical than the rental of other venues. Where this is proposed, full particulars pertaining thereto are to be submitted to the Permanent Secretary in order to facilitate assessment and adjustment of the per diem payable as may be necessary.
- 9.13 Per diem should be paid to the spouses of selected officials accompanying their wives/husbands on official duties abroad in circumstances where protocol requires their presence on the trip. The selected officials are the Governor General, Prime Minister, Deputy Prime Minister, Minister of Finance, Minister of Foreign Affairs and Foreign Trade and any other Minister representing the Prime Minister subject to the approval of the Prime Minister.
- 9.14 In determining the per diem for spouses, the conditions set out above must be observed and the cost for accommodation must only be included where the spouse is travelling alone on official business.
- 9.15 In cases where protocol demands that ministers travel with security on visits abroad for official business, the release of foreign exchange must be approved for only one security officer per minister.

10. Hosting of Receptions and Other Meetings

- 10.1 In cases where protocol demands that ministers or public officials host receptions or other meetings, application for the required foreign exchange must be submitted with the relevant particulars for approval. If the required foreign exchange cannot be accurately determined before departure, the amount requested must be treated in the accounts as a contingency advance. In the case of public officials, hosting of such activities is restricted to heads of delegations only. The amount advanced is to be accounted for in each case by the submission of actual bills to the Financial Manager of the official's ministry, department, agency, or public body within seven (7) days of the return of the public official to Jamaica.
- 10.2 Where the full amount of the contingency advance was not utilized or is not properly accounted for, the public official must refund within seven (7) days of return to Jamaica, the unaccounted balance to the entity, in the foreign currency in which it was released or the Jamaican Dollar equivalent of the amount calculated at the rate at which the funds were purchased.

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3739 DATED 2019-01-31

11. Reimbursement/Refund of Expenses

11.1 In the event that the per diem allowance issued was inadequate to cover expenses due to an emergency or other unforeseen event while overseas, reasonable out of pocket expenses will be reimbursed on presentation of receipts and proper justification. **No reimbursement will be made without original receipts.** The Government will not reimburse the cost for:

- i. Laundry or dry cleaning services;
- ii. Tips paid for services;
- iii. Expenses related to the consumption of alcohol.

11.2 The Government will reimburse public officers the cost for one entry visas, travel insurance where this is a prerequisite for entering the country, medical expenses associated with vaccinations necessary for overseas travel. The Government will also cover the cost of conference registration fees associated with training programs and baggage cost where it is not included as part of the airfare, that is, the cost for one (1) piece of baggage except where the travel period exceeds three weeks and the travel warrants more than one piece of baggage.

11.3 Where the actual period of the trip is reduced subsequent to the approval of total foreign exchange, the per diem, travel allowance in respect of the days by which the tour is reduced must be refunded within seven (7) days of return to Jamaica in the foreign currency in which it was released or the Jamaican Dollar equivalent of the amount calculated at the rate at which the funds were purchased.

The amounts are to be calculated and credited directly to expenditure account.

11.4 Similarly, where it becomes necessary for officers to be reimbursed for expenses incurred outside of the approved per diem, the request with **justifiable** supporting documents must be made within seven (7) days of return to Jamaica. Where the above becomes **necessary** while the officer is overseas, the requisite prior approval must be received from the Permanent Secretary to incur additional cost outside of the amount originally approved.

12. Report Required

12.1 As a condition of official overseas travel, the public official must provide a travel report on return from an overseas trip. The report should state inter alia, dates of travel and countries visited; objectives of the trip; benefits to the entity and to the public generally; recommendations and/or action plans arising from the overseas trip; and suitability of the report for inter-agency sharing.

APPENDIX 'C' (CONT'D) TO FORCE ORDERS NO. 3739 DATED 2019-01-31

- 12.2 Subsequent request for approval by applicants to travel should be linked to the compliance of officers submitting the required Reports.

Individual ministries/departments/agencies and other public entities may specify the manner and procedures for submitting travel reports.

- 12.3 All Permanent Secretaries must furnish the Cabinet Secretary and the Financial Secretary with quarterly reports in the format attached at Appendix IV stating the total expenditure and details thereof relating to official overseas travel with regard to the Ministries, Departments, Agencies and Public Bodies falling within the purview of the respective portfolios.

Permanent Secretaries, Heads of Department and Agencies and Chief Executive Officers of Public Bodies are to ensure that these procedures are brought to the attention of all relevant officers.

BUSINESS SERVICES

October 16, 2018

To whom it may concerned,

I operate an agency that deals with all businesses as it relates to foreigners entering Jamaica. One of the services that I offer is to apply for work permit on behalf of foreigner, which allows me to assist them in getting there police record.

As a result of this, I have to visit the Police record Office, at 34 Duke Street, in downtown Kingston on a regular basis.

I have to highlight to you a public servant that worked at the said Police record Office, her name is Ms. Natasha Durrant.

Ms. Durrant is an outstanding public servant, she will go beyond and above when serving the public on any given day, whenever she is serving the public, her customer service is excellent, she is the only one I saw manages the front desk in a manner that makes everyone feels goods, she knows her job well. It is awesome the way Ms. Durrant can manages the front as if she is more than one person, she always stop to listen, no matter what she is doing, the way she multitask is marvellous.

In my opinion, I don't think there is anyone in the organization that is efficient enough to operate at the front, the way Ms. Durrant does, she is a hard working individual with the right temperament and attitude and knows how to deal with the public, her firm but friendly attitude when giving instruction to customer cannot go unnoticed.

This lady needs to be acknowledge by the government, she need to be promoted, we need more people like her to serve the public, if you ask anyone who passes through the record office and have the chance to interacted with Ms. Natasha Durrant and they will tell you that she is the best public servant they have ever dealt with in that office.

I have been going to the record office, over the years, with foreign national to apply for their police record and I can tell you that whenever I visit there and don't see Ms. Durrant, I just have to prepare myself for a very long wait, because there are no other individual that can manage the day as Ms. Durrant does.

Ms. Durrant knows how to deal with the public, she has a very commanding

but respectful voice which gets people to co-operate with her and everything work out very easy for her, whenever she is at the front desk. I would like to implore anyone in authority from the government to just go to 34 Duke Street on any given day that Ms. Durrant is at work and just to observe the way she makes her job looks easy.

People like Ms. Durrant must be kept in the public service and be promoted, instead of allowing them to seek better in the private sector or overseas.

Your respectfully,
