SERIAL NO. 3675

Sub. No. 1 **JAMAICA CONSTABULARY FORCE POLICY AND PROCEDURES ON BODY-WORN CAMERAS**

Attached as [Appendix 'A'](#) is the Jamaica Constabulary Force Policy and Procedures on Body-Worn Cameras for information and strict compliance.

This subhead must be a subject in lectures for the next three (3) weeks and a return submitted to the Assistant Commissioner of Police, Administration Branch.

Sub. No. 2 **JAMAICA CONSTABULARY FORCE BUDGET CALL FOR FINANCIAL YEAR 2018/2019**

All Area, Branch and Divisional Commanders are required to prepare and submit a budget proposal for Financial year 2018/2019, electronically to budget@jcf.gov.jm by **Friday, November 17, 2017**.

An inventory count should be conducted prior to providing the material information. Estimated costs are not a requirement.

In addition, the electronic forms that were previously sent are again attached in electronic format to this email.

Sub. No. 3 **REMINDER - FIREWORKS, FIRECRACKERS, SQUIBS, ETC.**

Force Orders No. 3630, Part I, Sub. No. 6 dated 2016-12-29, is hereby republished for general information.

An import licence is required to bring into the island pyrotechnic articles such as fireworks. Persons found trading in such goods without the required licence shall be subjected to prosecution and seizure of goods.

The activating, discharging or throwing of any squibs, firecracker or any other illegal fireworks in any public place is prohibited by section 3(N) of the Town and Communities Act. Persons found committing any such offence are liable for prosecution.

The activating, discharging or throwing of any squibs or firecrackers is not only frightening but many members of the public find it difficult to differentiate between the explosions of squibs or firecrackers and that of a firearm. This practice becomes more prevalent during the yuletide season and requires increased vigilance by law enforcement officials.

In addition, it is also on record that a number of houses have caught fire as a result of illegal fireworks and were either totally or partially destroyed.

Sub. No. 4 **REMINDER - GRANTING OF LEAVE IN THE YULETIDE SEASON**

Force Orders No. 3630, Part I, Sub. No. 5 dated 2016-12-29, is hereby republished for general information.

Commanding Officers are hereby reminded of the need to manage the grant of vacation leave and departmental leave in the period leading up to and during the yuletide season.

Rule 4.16 of the Book of Rules is relevant and states:

'Departmental leave may not be granted to any member between the 20th December and the 6th day of January, except in exceptional circumstances.'

**JAMAICA CONSTABULARY FORCE
POLICY AND PROCEDURES ON BODY-WORN CAMERAS**

I. INTRODUCTION AND BACKGROUND

Over the years, numerous police-citizen encounters, from a routine stop and search to the use of deadly force, have ended in controversy. These incidents have negatively impacted the image of the Jamaica Constabulary Force (JCF). While independent investigations usually bring some resolution to these matters, the process is usually long, and filled with distrust.

It is widely accepted that the use of video, audio and photographic evidence plays a great role in enhancing the transparency of these investigations and thereby improve trust and confidence in the justice process. The JCF recognizes that photographs and recordings from body-worn cameras (BWCs) can provide vital pieces of evidence in both criminal and civil proceedings. During many police-citizen encounters, there are oftentimes no objective/independent witnesses to corroborate either allegations or explanations of the interaction. Therefore, the use of a BWC invariably captures all the comments and actions of both parties on record and thereby provides for a built-in 'impartial witness'.

The cameras, when used appropriately, will improve the accountability in the JCF as well as reduce the number of complaints of police misconduct, and should serve to clear employees of false accusation.

This Policy is adopted for strict compliance by all parties involved in the issuing, usage, storage and maintenance of BWCs, in an effort to protect the image, professionalism and integrity of the JCF.

II. PURPOSE

The purpose of this Policy is to establish guidelines and standard operating procedures for the proper use, care, and maintenance of BWCs and related equipment. It also provides employees with instructions for the collection and documentation of evidence arising from police-citizen contacts and critical incidents.

III. SCOPE

This Policy shall apply to all JCF employees who are involved in the issue, use and care of BWCs.

ESPRIT DE CORPS

IS YOUR WORD YOUR BOND?

How often have you made a promise and never fulfilled it? Ah, yes, you may have forgotten to do so. But do you know that if you practice often enough you will perfect the art? The art of making your word your bond, that is.

A bond is that relationship which one shares with a group or another individual. Making your word your bond or in other words simply fulfilling your promises enables you to maintain a positive image. A positive image is inarguably an asset. As such, we the members of the Jamaica Constabulary Force have to safeguard its image, protect its reputation and ensure it remains credible.

Credibility engenders belief in an individual or organization. Maintaining credibility is of paramount importance to effectively manage expectations of stake holders, in our case, "John Public." Our job exposes us to "John Public" regardless of the tier in which we fall. It therefore is the responsibility of all, to manage the reputation of the JCF by carrying out our functions in accordance with our mission.

The words which are used to form the mission are our bond. In it we made a lot of promises. We promised to serve, protect and reassure the people of Jamaica through the delivery of impartial and professional services such as the protection of life and property, maintenance of law and order, preservation of the peace and the prevention and detection of crime.

Our bond is our priority; let us continue to do the things we promised.

Remember always... we serve, we protect and we reassure with courtesy and integrity and equal respect for the rights of all.

A lawyer and his friend were coming out of church one day, and the preacher was standing at the door as he always is to shake hands. He grabbed the lawyer's friend by the hand and pulled him aside.

The Pastor said to him, "You need to join the Army of the Lord!"

The friend replied, "I'm already in the Army of the Lord, Pastor."

Pastor questioned, "How come I don't see you except at Christmas and Easter?"

He whispered back, "I'm in the secret service."
